# Welcome to Croatia

**Halina Kubica**  
Owner & Managing Director

Croatia is still undiscovered in many ways! Not only does it have picture-perfect baroque buildings, a café culture to rival Rome and beautiful unspoilt beaches, Dubrovnik is now a UNESCO World Heritage site and Split was one of the filming locations for Game of Thrones! I can't recommend Croatia enough because it's one of those countries that offers diversity, history and cultural contrasts whilst still being convenient and charming.

**Let us show you the hidden charm of Croatia. There's truly something for everyone.**

## Touring in Croatia

There is no better way to see and discover the Croatian mainland than a leisurely tour in the comfort of a modern air-conditioned coach. Accompanied by a competent and knowledgeable English speaking guide (some tours are bilingual), not only will you see and learn about the country with its rich cultural background, history and traditions but you'll also have a backdrop of strikingly beautiful scenery as you travel. These tours feature itineraries that are carefully planned for Australian travellers, which some tours combining neighbouring countries. See from page 10

## Sail & Stay Programs

Boarding a cruise in Croatia is not like embarking on a typical cruise, but more like joining a floating hotel. It is a great alternative to island hopping where you'll have to negotiate the fiddly ferry system, plus there is no need to carry your baggage between hotel rooms. These cruises do not sail at night and instead dock in port so that you can spend the night exploring the destination to soak up the atmosphere or sample the local cuisine. Cruises also dock in a number of secluded bays and beaches during the day to allow you to swim and enjoy the beauty of the coast. The cruise can be booked separately or in conjunction with land packages. See from page 20

## City Stays

Our specially designed city stays showcase the best of the Split or Dubrovnik and its hidden gems. We offer similar packages in Zagreb and other cities. See from page 56

## Island Hop with Ease

Island-hopping is an easy and affordable way to explore some of the 400 islands scattered along Croatia's coastline. Most of the big ports are near airports, with catamarans and car ferries running daily between most islands. The short distances between the islands make it easy to visit a number of destinations. You can customise your itinerary by choosing the locations and length of stay and we'll organise the hotels and ferries for you. See from page 52

## Self-Drive Programs

Croatia's coastal landscape, mountains and valleys, and national parks like the Plitvice National Park embed themselves in visitors' memories. Driving through Croatia along the Adriatic Highway provides views of towns built on slopes, bays of blue water, and craggy cliffs. Explore Croatia via car, bus, or organised tour to most easily enjoy Croatia's natural beauty. See from page 19

## Create Your Own Experience

Our Croatia is infinitely flexible. Travelers can combine individual services into complete itinerary, choose the duration, standard of accommodation, transportation and destinations. With the help of our knowledgeable, experienced Travel Concierges, we can craft a tailored combination of hotels and resorts, day tours, multi-day couch tours, and even local buses, cruises and island stays. We offer selection of private itineraries for those who prefer private drivers and service of local guides as well as independent and tailor made itineraries.

# Cruising & Sailing in Croatia

A holiday in Croatia can not be completed without sailing around the Adriatic islands. Sprinkled like pearl drops across the crystal clear blue of the sea, the 1,244 islands, isles, and reefs that comprise the Croatian Coast provide 1,244 unique reasons to dream of a sailing adventure. From the Arcadian greenery of the Brijuni archipelago in the north, the epic views of Kvarner Bay, with fragrant Cres and Losinj, the golden island of Krk, magical Rab, the small sandy island of Susak, bora-whipping Pag, and pearl-like Kornati, through to the beauty of the island of Brac, Hvar, Vis and Korcula, to the island of Mljet and the Elafiti Archipelago near Dubrovnik in the very south. Welcome to the endless beauty of the Mediterranean as it once was. The incredible sea landscape, lovely indented coastline, coves, beaches sheltered by pine woods, small and perfect towns and villages scattered along the coast, are all waiting for you to visit.

## Ship Categories

There are many operators offering cruises in Croatia. We choose to only work with operators and vessels we trust, and know, will meet our high levels of customer service. Boarding a cruise in Croatia is not like embarking on a typical cruise, but more like joining a floating hotel. It is a great alternative to island hopping where you'll have to decipher the fiddly ferry system, plus carry your baggage between hotel rooms. These ships are small, 10 to 22 cabins, and do not sail at night, instead dock in port so that you can spend the night exploring the destination to soak up the atmosphere or sample the local cuisine. Cruises also dock in a number of secluded bays and beaches during the day to allow you to swim and enjoy the beauty of the coast. Choose between the following categories:

### DELUXE SUPERIOR

Deluxe superior are newer and larger vessels, built with high quality materials of solid wood, glass, marble, stainless steel etc. Minimum 47 metres in length, newly built or refurbished after 2016, with hot tubs and spacious, superbly designed, air-conditioned en-suite cabins with double or twin beds, 15-20 metres in size. Cabins are equipped with wardrobes, deposit box, hair dryer, toiletries, bathrobe, slippers etc.

### DELUXE

Deluxe ships are modern and state of the art ships 42 to 47 metres in length. Spacious sun decks include sun beds to enjoy wonderful Adriatic scenery. Deluxe vessels feature spacious, lavishly designed, air-conditioned en-suite cabins with double or twin beds, safety deposit box, bathroom toiletries, hair dryer, cupboard & wardrobe cabinet. Cabins are 12 to 17m<sup>2</sup> in size.

### PREMIUM SUPERIOR

Premium superior vessels are mini deluxe vessels featuring similar comfort, but are smaller in size - 38 to 41 metres in length. Air-conditioned cabins are 8 to 14m<sup>2</sup> in size with double or twin beds, hair dryer and safety deposit box.

### PREMIUM

Premium steel hulled vessels with modern traditional look offer accommodation in air-conditioned, spacious en-suite cabins with double or twin beds, hair dryer and safety deposit box. Ships are from 29 to 35m in length with cabins 8 to 14m<sup>2</sup> in size.

### TRADITIONAL ENSUITE

Traditional wooden ships, cabins with private shower/toilet, mostly bunk beds, air-conditioned salon.

### TRADITIONAL

Traditional wooden ships, cabins with washbasin and bunk beds. Shared showers/toilets, air-conditioned salon.

## Yacht Charter

Yacht charter in Croatia is not only possible but affordable! It costs no more than a holiday in a regular hotel room on the islands. You can experience the magic of Croatia on your floating villa, cruise the picturesque, unspoiled and uncrowded coastline, then cool off with a swim in sparkling clear waters. We offer perfectly maintained and well equipped yachts from budget to luxurious, as well as options of skipper services for those who don't have a skipper license or prefer to relax while the someone takes care of the sailing. Luxury yachts usually come with a crew. Most yacht charters are on weekly basis (Saturday to Saturday), with vessels accommodating from 2 to 12 people.

Croatian food is the result of the differing cultures which have influenced the country over the years. Therefore there is no uniformity as each region has its own specialty. Some traditional dishes which are popular include the Burek, a layered pie made with meat or cheese, Piroška, a cheese doughnut from Zagreb, Brodet, mixed fish stewed with rice from the Dalmatian region, and Manistra Od Bibica, a bean and fresh maize soup from inland regions.

## Tipping

Tipping in Croatia is fast becoming more like other European countries, however in most situations, it is still not expected. In higher class restaurants and hotels, a tip of 10-15% is considered polite. For excellent service, we recommend a tip of A\$10 for tour guides and \$5 for bus drivers per day.

## Best Time to Travel

In terms of weather the best time to go to Croatia, we'd advise September... or possibly May. September still has glorious, sunny weather with warm temperatures, and the sea is also still warm enough for swimming. May is also a great month, as temperatures have already risen to a pleasant level unlike July and August where the sweltering heat can make you want to lie down every half an hour. Better still, you'll avoid the crowds that come from Europe mainly In July and August.

## Things To Do

**Dubrovnik:** Dubrovnik old town, a UNESCO World Heritage Listed, with the surrounding ancient ramparts and fortress walls. Other sites here include the Rector's Palace, the Dominican Monastery, the Franciscan Monastery,

the Cathedral and Europe's third oldest pharmacy. Beaches outside the fortifications of Stari Grad.

**Zagreb:** Go to see Medvedgrad, the medieval fortress, castles such as Trakoscan, Marusevac and Veliki Tabor. The Gornji Grad, St Mark's Church and the Cathedral of the Assumption of the Virgin Mary.

**Split:** Visit Diocletian's Palace, Treasury, Peristyle, Jupiter's Temple and Cathedral and Mestrovic Gallery. Other must do include walking through the small picturesque streets towards the Cathedral of St Dominus, which was originally the mausoleum of Diocletian. Other magnificent locations include the beautiful waterfront with delightful cafés.

**Islands:** Stay at some of the fabulous Croatian islands including Hvar, Korcula, Vis, Krk, Rab and Losinj. On the Island of Rab there is a stark difference in the sides of the island with one side rocky and the other a pine forest. This environment is the setting for one of the most attractive towns in the region, with the stone buildings looking as if they climb out of the cliff side. On the island of Brac is one of the only sandy beaches in Croatia, near the town of Bol. The Island of Hvar is renowned for its rugged coastlines, wines and lavender fields. Dive of the island of Vis into the Blue Grotto, or explore one of the many shipwrecks or follow in the footsteps of Marco Polo on the Island of Korcula.

**Inland Istria:** Often referred to as Croatia's version of Tuscany, this area is likely to be appreciated by anyone who values good food. Visit one of the many fascinating and ornate hilltop towns and enjoy some of the local foods and wines.

**National Parks:** Plitvice is a UNESCO World Heritage protected park featuring 16 crystal blue lakes all connected by 92 cascading waterfalls created out of limestone and chalk deposits. The other popular National Parks include Kornati, which covers five of the archipelago's 147 islands. Velebit, including the deepest cave in the world, Luka Cave, Paklenica, combining two very impressive and formidable canyons and a number of caves and vertical rock formations, Mljet, an island south-west of Dubrovnik with deep bays, antique monuments and a 13th Century monastery.
