CROATIA

THE ULTIMATE GUIDE FOR INDEPENDENT TRAVELERS

Split

Welcome to Croatia

Halina Kubica
Owner & Managing Director

Croatia has a way of staying with you. It is not just the postcard-perfect towns with their baroque charm, or the crystal-clear waters and unspoiled beaches. It is the feeling you get wandering through Dubrovnik's ancient walls, sipping coffee in a tucked-away café in Split, or watching the sun set from the deck of a small cruise ship as it gently docks at another hidden island.

In the summer of 2023, I spent over two weeks exploring Croatia, as well as neighbouring Slovenia and Montenegro. This was not simply a holiday – it was an opportunity to personally experience the destinations, inspect the cruises and accommodation, and connect with local providers. Everything we recommend in this brochure has been carefully selected based on first-hand knowledge and a genuine passion for the region.

At Greece and Mediterranean Travel Centre, we are not a call centre or an online booking engine. We are a dedicated team of travel professionals with deep regional expertise. Our itineraries are thoughtfully crafted, our partnerships are trusted, and our advice is based on real experience – not guesswork.

Let us help you discover the hidden charm of Croatia and its neighbours in 2026. With personalised service and attention to detail, we ensure your journey is as seamless and memorable as the destination itself.

A very special Experience awaits you

We have Croatia completely covered with a travel style to suit everyone. All of our programs include special deals with selected cruises, hotels, transfer and tours providers, which makes our Croatia getaways perfect for travellers interested in a value for money and wonderful experience.

Touring in Croatia

There is no better way to see and discover the Croatian mainland than a leisurely tour in the comfort of a modern air-conditioned coach. Accompanied by a competent and knowledgeable English speaking guide (some tours are bilingual), not only will you see and learn about the country with its rich cultural background, history and traditions but you'll also have a backdrop of strikingly beautiful scenery as you travel. These tours feature itineraries that are carefully planned for Australian travellers, which some tours combining neighbouring countries.

Sail & Stay Programs

Boarding a cruise in Croatia is not like embarking on a typical cruise, but more like joining a floating hotel. It is a great alternative to island hopping where you'll have to negotiate the fiddly ferry system, plus there is no need to carry your baggage between hotel rooms. These cruises do not sail at night and instead dock in port so that you can spend the night exploring the destination to soak up the atmosphere or sample the local cuisine. Cruises also dock in a number of secluded bays and beaches during the day to allow you to swim and enjoy the beauty of the coast. The cruise can be booked separately or in conjunction with land packages.

City Stays

Our specially designed city stays showcase the best of the Split or Dubrovnik and its hidden gems. We offer similar packages in Zagreb and other cities.

Island Hop with Ease

Island-hopping is an easy and affordable way to explore some of the 400 islands scattered along Croatia's coastline. Most of the big ports are near airports, with catamarans and car ferries running daily between most islands. The short distances between the islands make it easy to visit a number of destinations. You can customise your itinerary by choosing the locations and length of stay and we'll organise the hotels and ferries for you.

Self-Drive Programs

Croatia's coastal landscape, mountains and valleys, and national parks like the Plitvice National Park imbed themselves in visitors' memories. Driving through Croatia along the Adriatic Highway provides views of towns built on slopes, bays of blue water, and craggy cliffs. Explore Croatia via car, bus, or organised tour to most easily enjoy Croatia's natural beauty.

Create Your Own Experience

Our Croatia is infinitely flexible. Travelers can combine individual services into complete itinerary, choose the duration, standard of accommodation, transportation and destinations. With the help of our knowledgeable, experienced Travel Concierges, we can craft a tailored combination of hotels and resorts, day tours, multi-day couch tours, and even local buses, cruises and island stays. We offer selection of private itineraries for those who prefer private drivers and service of local guides as well as independent and tailor made itineraries.

Cruising & Sailing in Croatia

Explore the Adriatic – Where Every Island Tells a Story

A holiday in Croatia would not be complete without time spent sailing the breathtaking Adriatic. With 1,244 islands, islets, and reefs scattered like pearls across the crystal-clear sea, Croatia offers a different experience on every horizon – from peaceful coves and sun-drenched beaches to charming stone villages and historic coastal towns.

Whether you are drifting between the emerald isles of the Brijuni archipelago, discovering the fragrant landscapes of Cres and Lošinj, or anchoring beneath the golden glow of Hvar, Brač, Korčula, and Vis, sailing in Croatia is a journey through nature, culture, and timeless Mediterranean charm.

To the north, the Kvarner Bay tells a story of epic beauty and tranquil seclusion. Further south, the Kornati archipelago stuns with its raw, untouched beauty – a sailor's paradise. And near Dubrovnik, the Elafiti Islands and Mljet beckon with unspoiled landscapes and legends that linger in the sea breeze.

This is the Mediterranean as it once was – where the coastline remains unspoiled, the waters shimmer with a rare clarity, and each destination welcomes you with open arms and local flavor.

Whether you prefer the comfort of a small-ship cruise or the freedom of a private yacht or sailing charter, exploring Croatia by sea is not just a holiday – it is a way of life. Let the rhythm of the waves guide you through centuries of history, layers of culture, and the pure joy of island-hopping in one of the most beautiful sailing regions in the world.

Your Guide to Small Ship Cruising in Croatia

There are many operators offering cruises in Croatia. We choose Cruising along the stunning Adriatic coast is one of the most enjoyable ways to experience Croatia's picturesque islands, historic port towns, and crystal-clear waters. Unlike large ocean liners, cruises in Croatia are operated on small ships – typically carrying between 30 and 40 guests – offering a relaxed, intimate, and scenic travel experience.

At Greece and Mediterranean Travel Centre, we partner with a select range of trusted cruise operators and vessels to bring you the best of what Croatia has to offer. Because there is no official classification system for small ships in Croatia, understanding the differences between vessel types can be challenging. That is where we come in.

We have created this simple guide to help you understand what to expect – and to help us match you with the right ship and itinerary based on your preferences.

What Makes Croatian Cruises Unique

- ✓ **Small, purpose-built ships** designed for comfort and coastal cruising
- ✓ **Dock overnight in port** – enjoy evenings ashore in historic towns
- ✓ **No need to repack** – your ship is your floating hotel
- ✓ **Daily swim stops** in scenic coves and quiet beaches
- ✓ **Half-board dining** – breakfast and lunch onboard, evenings free
- ✓ **A casual and friendly atmosphere**, with no formal dress code

Understanding the Ship Categories

Ship Style	Features & Comfort	Ideal For
Traditional Ensuite	Similar to Traditional, but all cabins include private bathrooms.	Affordable option with more privacy.
Premium	Modernized ships with air-conditioned cabins and en-suites. Comfortable but not luxurious.	Mid-range comfort with good value.
Supreme	Comfortable ships with top-tier interiors, spacious cabins, some with onboard jacuzzis, gourmet dining and premium service.	Perfect for travellers seeking value for money, comfortable, small-ship cruising with exclusive comfort.
Premium Superior / Deluxe	Newer or fully refurbished ships, stylish interiors, larger cabins, sun decks, modern en-suites.	Travelers wanting a higher standard and comfort.
Deluxe Superior	Top-tier ships with spacious cabins (some with balconies), upgraded interiors, often with jacuzzis or pools.	Guests seeking boutique-style cruising at its best.

Please Note: Each cruise company uses its own terms to classify ships, so a “Deluxe” vessel with one operator may differ from another. We focus on the actual features and service level of the ship – not just the label – to ensure the experience meets your expectations.

Let Us Help You Choose

Whether you are looking for comfort, value, or luxury, our expert team will help you choose the right cruise based on:

- Your comfort and style preferences
- Your travel pace and itinerary needs
- The type of onboard experience you are looking for

We personally select and inspect the ships we work with to ensure reliable quality, excellent service, and a memorable journey through Croatia's coastal treasures.

Visit the historical centre of Dubrovnik, the famous city enlisted as UNESCO's World Heritage Site, where your guide will show you the most interesting sights of Dubrovnik, known as "The Pearl of Adriatic". After the city tour you'll be left on your own to explore around, visit City Walls or take a scenic cable car to the top of Mount Srđ with its stunning 360° vista. Return coach transfer is scheduled at between 12:30-13:00. Lunch onboard and sail out for Slano, located on the mainland. Slano is one of the most picturesque places on the Dubrovnik Riviera, with beautiful beaches, dense pine forest and olive groves, a long cultural tradition and numerous historical monuments. For all who are interested we will organize optional excursion to Ston, fortified town famous for 5-kilometre long walls, old saltwork and oysters/mussels farm. Reservations and payment on the spot. Overnight in Slano. (B, L)

Day 3 Mon: Slano-Mljet National Park-Korčula

Our day starts with a morning departure towards Mljet National Park. When we arrive time to explore the park, walk around the Great and Small Lake, visit the Islet of St. Mary with its Benedictine Monastery from the 12th century and, of course, take a swim in the heart of the National Park. Entrance fees to Mljet National Park are included. Lunch served on board, sail for the Island of Korčula, arriving in the afternoon. In the morning we'll cruise to the Island of Vis, with lunch on board and a swim stop enroute. Arrival to Vis is scheduled for the afternoon. Compared to other Adriatic islands, Vis is rather unique. Enjoy afternoon exploring the town of Vis, its picturesque stone streets, pristine beaches and fine taverns. For all who are interested we will organize optional Vis Island excursion, ending in Komiza, stunning fishermen's village to have dinner in one of cosy restaurants. For this reason, the entrance fees are payable on the spot. After a swim stop and lunch on board we'll continue cruising along many coves and bays, towards Hvar, the sunniest Croatian island. Hvar is one of the country's most attractive tourist destinations and a meeting point of international jetsetters. Upon arrival to Hvar, a local English-speaking guide will walk you through this unique city, introducing you to its history, culture and a way of life. After lunch continue cruising toward Milna, charming seaside village on the island of Brač, known for its beautiful stone houses and peaceful atmosphere. On this evening we'll have Captain's Dinner on board, along with live music entertainment. Overnight in Milna. (B, L, Captain's Dinner)

Day 1 Sat: Dubrovnik

Proceed on your own to the port. Ship will be docked in Dubrovnik Gruz harbor and embarkation is possible throughout the whole day. Passengers arriving in the morning will not be able to enter their cabins before 14:00 but can leave luggage on board. In case your ship is not in the port until evening we will take care of your luggage and organize excursion for you. At 19:00 we'll have a welcome meeting where Cruise manager will introduce you to the crew and your fellow passengers. Welcome dinner will be served at 19:30. Captain will wait for all the passengers arriving late at night, but we must be notified in advance. All the late arriving guests will be offered a snack. Overnight in Dubrovnik. (D)

Day 2 Sun: Dubrovnik-Slano

After breakfast, our English-speaking guide and coach will come to the pier. We'll visit the historical centre of Dubrovnik, the famous city enlisted as UNESCO World Heritage Site, where our guide will show you the most interesting sights of Dubrovnik. After the city tour, you'll be left on your own to explore and enjoy this city. At 12:00 a.m. we'll have a transfer back to the ship. Lunch will be served on board en route to Slano, located on the mainland with swim stop on the way. Slano is one of the most picturesque places on the Dubrovnik Riviera, with a beautiful beach, dense pine forest and olive groves, a long cultural tradition and numerous historical monuments. For all who are interested we will organize optional excursion to Ston, fortified town famous for 5-kilometre-long walls, old saltwork and oysters/mussel's farm. Reservations and payment on the spot. Overnight in Slano. (B, L)

Day 3 Mon: Slano-National Park Mljet-Korcula

This morning cruise to Mljet where you'll be free to explore National Park (entrance fees are not included), walk around the Great and Small Lake, visit The Islet of St. Mary with its Benedictine Monastery dating from the 12th century and, of course, take a swim in the heart of this pristine National Park. Lunch served on board as we continue toward the Island of Korcula, where we arrive in the afternoon, docking in the Town of Korcula. This historic town is known as the birthplace of Marko Polo, one of the most famous world explorers of all times. An English-speaking guide will do Korcula City tour and walk us through the town's charming narrow and cobbled streets. You'll have the rest of the evening free to enjoy dining at one of the local restaurants of your choice. Overnight in Korcula Historical Town. (B, L)

Day 4 Tue: Korcula-Vis

In the morning we'll cruise to the Island of Vis, with lunch on board and a swim stop en route. Arrival to Vis is scheduled for the afternoon. Compared to other Adriatic islands, Vis is rather unique. Being an important strategic military stronghold for centuries, Vis was spared the excessive tourist development and thus retained its unspoiled beaches, ecological agriculture and traditional architecture. Enjoy afternoon exploring the town of Vis, its picturesque stone streets, pristine beaches and fine taverns. For all who are interested we will organize optional Vis Island excursion, ending in Komiza, stunning fishermen's village to have dinner in one of cosy restaurants. Reservations and payment on the spot. Overnight in Vis Town. (B, L)

Day 5 Wed: Vis-Bisevo Blue Cave-Hvar

This morning cruise towards Island of Bisevo and its Blue Cave. Originally, the entrance to Blue Cave was located below sea level, which required visitors to dive deeply in order to resurface into the cave's mysterious blue depths. However, at times high waves prevent the entrance to Blue Cave, which is something we shall not know before the morning designated for our visit. For this reason, entrance fees are paid on the spot. After a swim stop and lunch on board, continue cruising towards Hvar, the sunniest Croatian island. Upon our afternoon arrival at Hvar, a local English-speaking guide will walk you through the town, introducing you to the island's way of life, its rich history and culture. Afterwards, you'll be free to enjoy your evening in Hvar, to explore on your own and dine in one of its numerous family-owned restaurants or taverns. Overnight in Hvar Historical Town. (B, L)

Day 6 Thu: Hvar-Bol-Pucisca

Morning departure towards Bol. Bol is famous for having one of the finest European beaches, called Zlatni Rat (Golden Cape). As we stop in Bol, you can relax in this charming Dalmatian town. Have a walk, a cup of coffee or a swim, until lunch is served on board. After lunch we'll continue cruising towards Pucisca, with refreshing

swim stops en route and lunch served on board. Pucisca is the biggest village on the island of Brac. Nowhere in the system of towns and villages in Dalmatia does terrain play such a compelling role as in Pucisca. Its spectacular irregularity of steep-sided natural harbor, authentic Mediterranean architecture and rustic ambience are simply unforgettable. Pucisca is also home to the only Croatian Stonemasonry school. Its students carve sculptures from Brac limestone, applying traditional and unconventional tools that have been used here for centuries. We shall spend a night in this very quiet town. Enjoy the nightfall, as it unifies the distinct features of Pucisca that have intrigued us so much in daylight. This evening we will have Captain's dinner on board. Overnight in Pucisca. (B, L, Captain's dinner).

Day 7 Fri: Pucisca-Split-Omis

Morning departure to Split where our English speaking guide will lead a city tour of Split and walk you through the historical Diocletian's Palace. Split boasts 1700 years of history and is inscribed on the UNESCO World Heritage Site List. The city's historical and cultural buildings are located inside the walls of the Diocletian's Palace. After the city tour have lunch onboard while cruising to Omis, an ancient town with city walls, fortresses and stone churches, a stronghold of famous pirates, a symbol of retaliation, courage and strength in the long historical fight against The Republic of Venice. Evening at leisure. Overnight in Omis. (B, L)

With powerful engines, motor boats allow you to cover greater distances quickly, making it easy to visit multiple destinations in a short amount of time. They are perfect for island hopping and water sports enthusiasts.

SAIL BOATS

Croatia General Information

Introduction

With its unspoilt villages, beaches, Roman and Mediaeval Ruins, Croatia is a traveler's paradise with something to indulge everyone. Explore the Dalmatian Coast with its UNESCO heritage listed buildings in Dubrovnik or Split, unearth the capital of Zagreb, a gem in its own right or uncover the natural beauty of any of the 900 islands, bays, coves, beaches and cliffs.

Official Language

The official language spoken is Croatian, though German and Italian are also spoken widely in different parts. English is widely spoken in Tourist areas.

Currency

The currency of Croatia is the Kuna (HRK), and most major credit cards are accepted.

Visas

Croatia and other Schengen countries use the European Union Entry/Exit System (EES). This new digital system applies to non-EU travellers, including Australians and NZ entering/leaving the Schengen area. On your first visit, you'll need to; have your fingerprints and photo taken and answer basic questions under the Schengen Border Code. This creates a biometric digital record that will be valid for 3 years. EES registration is free. A stay of no more than 90 days in every 180 days is permitted. Make sure your passport has at least 6 months validity.

Population

Croatia's population was estimated to be 4.25 million in 2015.

Climate

Along the Adriatic coast, there is mainly a Mediterranean climate with hot dry summers and mild sometimes rainy winters. Inland, the climate tends to lean towards a continental climate with warm summers and cold winters.

Average Monthly Temperatures (Degrees celcius):

Average Temps	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Zagreb	Low	0	1	4	8	14	17	18	13	10	5	0
	High	4	7	12	17	23	26	27	21	16	10	4

Time Zone

Croatia is one hour ahead of (GMT) and also has daylight saving which is adjusted during summer, the same as the rest of Europe. During Australian summer, Croatia is 10 hours behind, and 8 hours during winter.

Food

Croatian food is the result of the differing cultures which have influenced the country over the years. Therefore there is no uniformity as each region has its own specialty. Some traditional dishes which are popular include the Burek, a layered pie made with meat or cheese, Piroška, a cheese doughnut from Zagreb, Brodet, mixed fish stewed with rice from the Dalmatian region, and Manistra Od Bibica, a bean and fresh maize soup from inland regions.

Tipping

Tipping in Croatia is fast becoming more like other European countries, however in most situations, it is still not expected. In higher class restaurants and hotels, a tip of 10-15% is considered polite. For excellent service, we recommend a tip of A\$10 for tour guides and \$5 for bus drivers per day.

Getting There

By Air: Qatar flies from major Australian city via Doha to Croatia. Most other airline can connect to Croatia's main cities of Zagreb, Split and Dubrovnik via other points in Europe.

By Sea: There is some ferry's from Italy, and from Bari there is usually an overnight service during high seasons. Frequency does vary between seasons.

Getting Around

Croatia Airlines is the only airline which services domestic routes with regular flights from Zagreb to Brac, Dubrovnik, Pula, Split and Zadar. Travel via the train network is increasing as the infrastructure is being improved, but there are some cities which are not yet linked via train. Bus system is relatively easy to use as

the bus network is far reaching and reasonably priced although difficult to prebook. The car rental is also an option for mainland destination.

Shopping in Croatia is mainly for souvenirs and keepsakes. One item which is popular among discerning shoppers is the famous Pag Island Lace hand made by the women of Pag Island. Other must buy handicrafts include embroidered fabrics, scented sachets of lavender or other fragrant herbs and stonework's from Brac Island. Recently there has also been a boom in the jewellery market where you can find gold and silver jewellery of astounding quality.

Accommodation

All main types of accommodation are available throughout Croatia from small private hotels top 5 star resorts. Pre-booking is very highly recommended, especially during high season.

Electricity

The electrical current in Croatia is 220V and the plugs have two prongs, different then Australia.

Best Time to Travel

In terms of weather the best time to go to Croatia, we'd advise September... or possibly May. September still has glorious, sunny weather with warm temperatures, and the sea is also still warm enough for swimming. May is also a great month, as temperatures have already risen to a pleasant level unlike July and August where the sweltering heat can make you want to lie down every half an hour. Better still, you'll avoid the crowds that come from Europe mainly In July and August.

Things To Do

Dubrovnik: Dubrovnik old town, a UNESCO World Heritage Listed, with the surrounding ancient ramparts and fortress walls. Other sites here include

the Rector's Palace, the Dominican Monastery, the Franciscan Monastery, the Cathedral and Europe's third oldest pharmacy. Beaches outside the fortifications of Stari Grad.

Zagreb: Go to see Medvedgrad, the medieval fortress, castles such as Trakoscan, Marusevac and Veliki Tabor. The Gornji Grad, St Mark's Church and the Cathedral of the Assumption of the Virgin Mary.

Split: Visit Diocletian's Palace, Treasury, Peristyle, Jupiter's Temple and Cathedral and Mestrovic Gallery. Other must do include walking through the small picturesque streets towards the Cathedral of St Dominus, which was originally the mausoleum of Diocletian. Other magnificent locations include the beautiful waterfront with delightful cafés.

Islands: Stay at some of the fabulous Croatian islands including Hvar, Korcula, Vis, Krk, Rab and Losinj. On the Island of Rab there is a stark difference in the sides of the island with one side rocky and the other a pine forest. This environment is the setting for one of the most attractive towns in the region, with the stone buildings looking as if they climb out of the cliff side. On the island of Brac is one of the only sandy beaches in Croatia, near the town of Bol. The Island of Hvar is renowned for its rugged coastlines, wines and lavender fields. Dive of the island of Vis into the Blue Grotto, or explore one of the many shipwrecks or follow in the footsteps of Marco Polo on the Island of Korcula.

Inland Istria: Often referred to as Croatia's version of Tuscany, this area is likely to be appreciated by anyone who values good food. Visit one of the many fascinating and ornate hilltop towns and enjoy some of the local foods and wines.

National Parks: Plitvice is a UNESCO World Heritage protected park featuring 16 crystal blue lakes all connected by 92 cascading waterfalls created out of limestone and chalk deposits. The other popular National Parks include Kornati, which covers five of the archipelago's 147 islands. Velesbit, including the deepest cave in the world, Luka Cave, Paklenica, combining two very impressive and formidable canyons and a number of caves and vertical rock formations, Mljet, an island south-west of Dubrovnik with deep bays, antique monuments and a 13th Century monastery. Risnjak is a smaller park with a wealth of animal life, Brijuni Islands, home to the infamous Brijuni safari park, and Krka Falls – a day trip from Split.

Croatia Stay Tax

The local Governments have introduced a Stay Tax on all hotels and apartments throughout Croatia. Fees vary depending of the official star rating and must be paid locally by the clients upon check out.

"You" and "Your" means all persons named in a booking (including anyone who is added or substituted at a later date). "We", "us", "our" and "Greece and Mediterranean Travel Centre/ Luxury Greece Collection" means Greece and Mediterranean Travel Centre Pty Ltd.

If these Booking Conditions are published in a brochure, then please note the information contained in the brochure may alter from time to time due to changes that are beyond the control of the operators and their agents. These changes may affect prices, duration of tours, itineraries, contents, etc. Information contained in the brochure has been carefully checked and to the best of our knowledge is correct at the time of publishing. Prices and conditions of travel are subject to change without notice.

BOOKINGS

Contact your Travel Agent or Greece and Mediterranean Travel Centre Pty Ltd to make your reservations.

A booking request is accepted when we issue a written booking confirmation and you have paid your deposit. It is at this point that a contract between us and you comes into existence subject to these Booking Conditions. We reserve the right to decline any booking at our discretion. No employee of ours other than a director has the authority to vary or omit any of these Booking Conditions or to promise any discount, refund or credit.

Confirmed bookings will be issued with an invoice upon confirmation detailing all services booked. It is your responsibility to ensure all details are correct. The right is reserved to correct any clear and obvious errors in rates quoted or calculated for any service notwithstanding that the invoice may have been paid in full.

You must check your booking confirmation carefully and notify us of any errors as soon as possible. If we made the error and you notify us as soon as possible, we will be responsible for any supplier-imposed charges to correct the error. In other cases, you will be responsible for these charges.

SERVICES

We commence providing services to you as soon as we accept your booking. This includes often significant work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements. You also receive the benefit of work we undertake in anticipation of bookings. The services we provide to you are limited to: (a) the arrangement and coordination of delivery of travel arrangements by third party suppliers; (b) the delivery of any travel arrangements which we directly control, own or operate; and (c) services incidental to the services described in (a) and (b), including administrative, booking, liaison, documentation, payment processing, communication, and customer support services related to those travel arrangements.

PRICES & EXCLUSIONS

Prices stated are in Australian Dollars (\$AUD) and are current at the time of publication unless otherwise indicated. We also sometimes invoice in Euro or New Zealand dollars. The price includes accommodation, transportation and other inclusions as per the published itinerary. International and domestic airfares and airport/hotel transfers are not included unless specifically stated. Costs associated with passports, visas, vaccinations, insurance, meals (other than those stipulated), emergency evacuation costs, gratuities, and all items of a personal nature are not included.

Selling prices for our products are calculated to include, but not limited to, research, brochure preparation, printing and distribution, communication costs, postage, courier fees, bank charges, currency transfers and remuneration to the travel agents. The prices do not imply that same or similar products may or may not be available at a different price if obtained from another source. Prices shown may not be valid during trade fairs, exhibitions and congresses.

PRICE SURCHARGES

We reserve the right to vary the cost of your travel arrangements prior to commencement for circumstances beyond our control such as the imposition of fuel surcharges or new or amended Government charges. We also reserve the right to vary the cost of your travel arrangements due to currency fluctuations. However, we will not vary the cost for currency fluctuations once full payment has been received by us and we will absorb the first 2% of any negative currency fluctuation. You may cancel your booking and receive a full refund if we vary the price by more than 10% due to currency fluctuations. Any such variation will be limited to the amount of the increase in costs, and we will notify you as soon as reasonably practicable.

DEPOSIT

A 10% deposit per person or \$300 (whichever is the greater), is required within 7 days (unless otherwise stated) of us accepting your booking. The deposit represents a fee payable to us for services associated with the processing and confirmation of your booking and any consultations on travel arrangements that we may provide to you. Because these services are provided as soon as we confirm your booking, the deposit is non-refundable other than where we cancel your travel arrangements for reasons other than Force Majeure (see below).

Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable, or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable.

Some products may require higher deposit in excess of the above. This will be advised at the time your reservation is confirmed.

FINAL PAYMENT

Payment in full must be received by the date(s) reflected on your invoice. If you fail to make payment by the due date, we will remind you to make payment. In addition to the payment, you will also be responsible for any costs imposed on us by suppliers resulting from late payment. If we do not receive payment within 7 days after the reminder, you will be deemed to have cancelled your booking. Note: some trips may require payment (including full payment) earlier or in additional instalments and this will be advised with the booking confirmation.

For late bookings (bookings within 45 days of departure), full payment is required at the time of request. You acknowledge that we may not be able to confirm services, in which case we will provide you with a refund.

Please note that payments by card made prior to 1 October 2026 are subject to card processing fees reflecting the fees incurred by us for processing card payments. These processing fees are not refundable in any circumstance.

CANCELLATIONS BY YOU

General Cancellations

If you wish to cancel your trip for other reasons than as set out below, we require written notice and will make refunds to you less cancellation fees in accordance with the table below, calculated from the date which we receive written notice:

Ferry Tickets: All ferry tickets are not refundable once paid in full regardless of date of cancellation.

Other Services:

- Over 45 days before commencement: Deposit and any instalment payments only
- 45 days to 31 days before commencement: 50% of the booking value
- Within 30 days or no show 100% of the booking value. Certain products might be subject to additional cancellation fees in excess of the above. This will be advised at the time your reservation is confirmed.

General

You agree that the deductions and cancellation charges specified above are reasonable, represent a genuine pre-estimate of our loss and are required to protect our legitimate business interests.

For group departures, a transfer of a confirmed booking to another departure date at your request is deemed to be cancellation of the original booking.

OTHER CANCELLATIONS

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure – Prior to travel

If:

- in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or
- you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:

- reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or
- cancel affected travel arrangements, in which case our contract with you for the affected arrangements will terminate.

If we cancel affected travel arrangements, neither of us will have any claim for damages against the other for them. However, we will either:

- issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 24 months of issue against any travel services offered by us; or
- refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure – During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General

Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your trip or particular travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

AMENDMENTS BY US

Prior to travel

We may occasionally need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

Accommodation

Due to the dynamic nature of travel, we may need to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge that these substitutions will not be considered a significant change.

Booking Conditions (continued)

Alternative flights due to safety or security concerns

If flights are included in your travel arrangements and a scheduled flight is cancelled, suspended or materially changed due to war, armed conflict, civil strife, terrorist activity or the threat of such acts, or if we reasonably determine that the intended carrier, route or transit point cannot safely or reasonably be used, we may arrange replacement flights with an alternative carrier or on an alternative route. You must pay any additional airfare, taxes, carrier charges or ticketing costs reasonably incurred by us in arranging those replacement flights. We will notify you of any additional costs as soon as reasonably practicable and use reasonable endeavours to minimise them. If, before travel, the additional cost is material and you do not agree to pay it, we may cancel the affected flight arrangements and the Force Majeure provisions will apply.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns.

General

To the fullest extent permitted by law:

- we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;
- if you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and
- we will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under \$2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

commencement. If the tour is re-costed, you will have the option to either accept the new cost or to cancel your booking. You must make this election within 14 days of receiving notice from us. INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

ACCEPTANCE OF RISK

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers.

You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY

Services supplied by independent suppliers

Where a third party over whom we have no direct control (**Independent Supplier**) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, death, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we have control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays, including for any scheduled services delays.

General liability limitation

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

Our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied. This limitation applies to the extent permitted by law and subject always to the Consumer Guarantees.

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven't resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your travel arrangements. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant).

If you fail to follow this procedure, this may limit your rights to make a claim.
