Island Hopping with Ease

Why Island Hopping

Our Island Hopping programs are the ideal way to explore the magic of the Greek islands. A unique combination of natural beauty, crystal clear seas, sun, ancient history, delicious cuisine and warm hospitality make them unique. Our itineraries include accommodation and allow you to visit a selection of islands using transportation by local ferries with a minimum of fuss as all the ferry tickets are included, booked in advance and delivered to you. We call them customised as the duration, standard of accommodation or selection of islands visited can be changed. Most operate on a daily basis although the sequence of itineraries may vary. There are endless combinations of island and duration hence please contact us should you wish to customise any of the programs, stay longer or visit more islands.

Comprehensive Island Hopping

Our comprehensive itineraries are named after the Greek Gods. They highlight the most popular islands such as Santorini, Mykonos, Rhodes, Crete as well as Athens. With those packages, not only do you get to stay on these legendary islands, and ferries and transfers are taken care of but we have also included local tours. You will visit the islands with locals who live and work there and know them intimately. Of course we also use best value hotels on each island so that we can offer a great holiday at a great price.

Island Hopping Passes

We offer two main types of Island hopping passes, the difference is inclusions and accommodation. Island Hopping Passes allow visits to nominated islands for set amount of nights on each. There are 3 categories of hotel to choose from. Transfers on the island are optional extras. The Flexi Passes allow travellers to select islands and prices are based on total number of night regardless of island visited. There are four categories of accommodation to choose from.

Cruise the Greek Islands

Cruising is one of the most popular and value-for-money ways to explore the Greek Islands.

We have partnered with top-tier cruise companies to offer a diverse range of itineraries throughout the Greek Islands and the Mediterranean. Whether you are drawn to the vibrancy and facilities of a larger cruise ship or prefer the personalised feel of a small boutique vessel, we can tailor the perfect Greek island cruise experience for you. Set sail on a journey that combines breathtaking views, rich history, and luxurious comfort – creating memories that will last a lifetime.

1. Large Ship Cruises

Celestyal & Similar

Cruising on a larger ship offers the perfect combination of value, variety, and comfort. Lines like Celestyal Cruises specialise in well-designed Greek Island itineraries, visiting iconic destinations such as Santorini, Mykonos, Crete, and Patmos, along with lesser-known gems. These cruises are ideal for travellers who want to see more of Greece in less time, with the ease of unpacking once and waking up in a new destination each day. Celestyal offers flexible fare options so you can choose the level of inclusions that suits your travel style. Onboard, you'll enjoy a lively Greek atmosphere, warm hospitality, cultural programming, and regional cuisine, all designed to enrich your island-hopping experience.

2. Small Ship Cruises

Variety, Elixir & Boutique Voyages

For travellers looking to escape the crowds and explore off-the-beaten-path islands, small ship cruising offers a unique and more immersive experience. Companies like Variety Cruises and Elixir Cruises operate boutique vessels that typically accommodate 20–50 guests, providing a relaxed, club-like atmosphere with a strong focus on local culture, cuisine, and sustainability. You will visit secluded harbours, swim off the back of the boat in crystal-clear waters, and dine on fresh Greek cuisine either onboard or at carefully chosen local tavernas. Destinations often include less-touristed islands like Folegandros, Kythnos, Naxos, or Amorgos, giving guests a deeper connection to the Greek way of life. This is a great option for couples, solo travellers, or small groups looking for a balance between luxury and authenticity, with itineraries curated by people who truly know the region.

3. Gulet Cruises

Relaxed, Social & Affordable Island Hopping

For travellers seeking a laid-back, budget-friendly way to explore the Greek Islands, gulet cruises are a fantastic option. Traditional wooden sailing boats known as gulets typically host around 15–25 guests and focus on a fun, social experience — making them especially popular with budget travellers, small groups, or those wanting a casual island-hopping adventure. These cruises include routes through both the Cyclades and the lesser-known Ionian Islands. The Ionian cruises departing from Corfu or Zakynthos, are truly special. These itineraries explore remote, lush islands like Paxos, Kefalonia, Ithaca, and Lefkada, many of which are difficult to combine via regular ferry routes. These Ionian cruises offer a more relaxed sailing experience, ideal for nature lovers, photographers, or anyone wanting to see a different side of Greece, with dramatic coastlines, green landscapes, turquoise waters, and a slower pace of life. Most cruises include accommodation, breakfast, and lunch, with evenings free to explore charming harbours and local tavernas.

4. Private Yacht Charters

Tailored Luxury at Sea

If you are seeking the ultimate personalised experience, a private yacht charter is a dream way to explore the Greek Islands. With a wide selection of motor yachts, sailing yachts, and catamarans, we can match you with the perfect vessel for your group size, style, and budget, complete with a professional crew to take care of everything. Yacht charters offer total flexibility: choose your own route, stay longer in your favourite bays, and enjoy meals on board or at seaside tavernas you discover along the way. Whether you are anchoring in a hidden cove in the Cyclades or mooring at a chic harbour in the Ionian Islands, this is a tailor-made experience ideal for families, honeymoons, groups of friends, or anyone looking for privacy, freedom, and a touch of luxury. We take care of all the planning, from provisioning and crew selection to route suggestions and logistics. All you need to do is relax and enjoy your private slice of the Aegean.

Greece Gulet Cruise

While you may be thinking of a traditional cruise aboard a massive ship, there are options available known as gulet charter cruises that provide a completely different vacation than you may have envisioned. Gulet is a traditional two or three-masted wooden sailing vessel that's design originated from southwest Turkey. On a gulet cruise, you can expect to be sharing the space with no more than forty-five other passengers. You can also create a more intimate setting where you can select to be on board a gulet that carries no more than twenty-five passengers total. With a Greek gulet cruise, you will be guaranteed to have an experience like no other. Because the islands are relatively close, you will have less time on the boat and more time to spend at each of your destinations – meaning unique, one-of-a-kind experiences on each of the islands you visit. Join the like minded people and have the best party time while in Greece.

Santorini

Santorini is the place to fall in love! It's an island that has inspired poets and musicians with its breath taking sunsets and crystal waters rippling over the Caldera. With its whitewashed houses, blue-domed churches and never-ending vineyards, Santorini is Greece at its traditional best.

Some theories state that Santorini was once part of the fabled lost continent of Atlantis - a fact which has provided inspiration to great many artists and writers. The black shining pebbles, the bizarre-looking land formations and the black, white and red sands all form to create unforgettable scenery. As evening approaches couples head to the beautiful town of Oia to secure their own romantic candle-lit table and watch the brilliant sun sink beneath the shimmering Aegean Sea. Unforgettable!

How to Get to Santorini

From Athens:

- FERRY - from Piraeus Port - 10 hrs: Daily
- HYDROFOILS - from Piraeus Port - 5 hrs: Daily in summer only
- AIR - 55min Few times a day

Connection to other islands:

- FERRY - to Ios (1hr), Naxos (3hrs), Paros (4hrs), Syros (5hrs) - Daily.
To Rhodes - 3 times a week overnight (7hrs)
- HYDROFOILS - same as ferry but takes half the time. Sometimes change at other island required. Also to Mykonos (3hrs), Heraklion (2hrs) - Daily

General Information

- Port: 10km from town
- Airport: 7km from town
- Oia: 12km from Fira
- Beaches: Distances from Fira - Kamari (8km), Perissa (10km)
- Main Town: Fira (Thira)
- Main Archaeological Site: Akrotiri

Must See

Santorini is situated on the rim of a volcano in the middle of the sea -surrounded by steep cliffs on three sides. It is famous for spectacular sunsets and crystal waters. White washed houses and churches with blue bells, cobbled streets and magnificent views will captivate you. Sail around the volcano, visit the museums or take the cable car (or a donkey!) from the top of the cliff down to the town. Visit the capital, Fira or Oia - a very pretty village on the top of a cliff - with cave houses and restaurants built into the cliff.

Location! Location! Location!

Santorini island is long and narrow with two distinctive sides. One side has towns and villages on the edge of the Caldera - the volcanic depression that collapsed after a volcanic eruption many years ago. The other side has black, volcanic sandy beaches. The sea view is significantly different on each side and usually defines the hotel cost. The most sought after hotels are located on the cliff facing the volcano with Caldera views. The most desirable locations are prestigious Oia, Fira and areas of Firostefani and Imerovigli. Street names are scarce and location descriptions can be inaccurate. It is important to know that some hotels in town can actually be located 2 to 5 km from the village.

Recommended Hotels

Websites and some brochures sometimes provide misleading information regarding the type of accommodation offered and exact distances from the town. There are many properties without a common area, reception or pool that often are called hotels. Villas are not necessarily self-standing houses - just a room type. We take pride in accurately describing both location and room types for each property including the view, so you are assured that your needs will be met. Due to space restrictions, we have a selection of recommended hotels in each category in the online brochure and can assist with many other accommodation options. Please refer to our online version of this brochure (extended) which includes recommended hotels.

Santorini Day Tours

There are a variety of reasons why Santorini is one of the most popular Greek islands. Beside the dazzling panorama, magnificent views and unforgettable sunsets this is an island which offers an assortment of treasures to discover. You can hire a car and explore the charming villages at your own pace, stop for wine tasting on the way, visit Acrotiri excavations, spoil yourself in one of the island's excellent spas, go sailing in the spectacular caldera or simply join an organised island tour. We at Greece and Mediterranean Travel Centre have got just the right activities for you to ensure you can make the most of your stay. Bear in mind that Santorini is a small island and availability is limited at times. We don't want you to miss out on once in a lifetime opportunities. We offer a large selection of optional tours, just contact our friendly staff for more information about additional tours and private yacht charter.

Admire the windmills perched atop the small hill and, get lost amongst the small and maze-like streets and white buildings, shop till your heart's content in some of the most creative shops, glittering with gold and silver. Or perhaps take that day trip to Delos, once the centre of Greek religion, art and commerce. Whatever the reason for your visit, Mykonos is sure to please.

Must See

Mykonos has much to offer. From the famous windmills to the Panagia Paraportiani – an impressive church from 1425, to the museums, Little Venice and the waterways that attract visitors from near and far, Mykonos is an island that awaits discovery. We know Mykonos and have trusted partners - let us assist you with choosing accommodation and activities from the many options available that will ensure you have a holiday to remember!

Recommended Hotels

Mykonos caters for all - young travellers, families, more mature travellers and gay couples. Please be aware that online descriptions for properties do not always reflect their suitability to individual needs and the type of clientele they cater for. At Greece and Mediterranean Travel Centre we know and support local Myconian families and pride ourselves on accurately describing the type and location of properties we recommend. You are assured of getting the right accommodation and the right location to suit your taste. We have a selection of hotels in the online brochure, plus many more options. Please refer to our online version of this brochure (extended) which includes recommended hotels.

Location! Location! Location!

The town is usually preferred location for young travellers, but it can be busy especially in peak season. Hotels of similar standard here are usually significantly more expensive than those in other locations. Beaches are located nearby to town and most have access by bus. There are also restaurants and shops in Plati Yialos, Ornos and Elia. For more traditional Island experience we recommend the beach locations that are about 4 or 5 km distance from town. The hotels tend to be more affordable and there is regular public transportation available to town. We have recommended hotels also at Elia beach – one of the nicest beaches on the island. It is 9km from town, however, our recommended hotels offer free regular shuttle bus to town even late in the evening.

Mykonos Day Tours

Although most people think of Mykonos as sun, beach and party destination, there are many other awesome things to do and places to explore. The famous Panagia Portiani Church, the Little Venice and the Windmills and trip to nearby Delos are absolute must. Select from the regular tours on offer or contact us for the customised and private tours.

Greek cuisine has been considered a traditional aspect of Greek society for approx 4000 years of history. It is typical of Mediterranean cuisine, using the fresh produce grown in each region, including the widespread use of olives and olive oil and the fresh seafood of the coastal waters and islands. Most traditional tavernas in Athens are located in the Plaka (Old) district and this is a good place to enjoy a Yeros (a meat dish served with a sauce on pita bread) and Ouzo (the traditional drink made from Anise). There is food to suit all tastes, from vegetarians to meat eaters and seafood lovers.

Train services in Greece mainly run

Car hire is suitable to get around mainland Greece, but parking and navigation around main cities can be quite tricky at times. In terms of travel to the Greek Islands, there are limited ferry departures from mid-October to mid-April. During high season there are regular services from Piraeus Port to the main islands but there are not daily services connecting each island. Not all islands are connected by direct ferry. Local buses are available on most islands, but generally they only run between the main stops and not all hotels can be accessed by bus. Taxis are also very limited hence transfers are highly recommended. There are options of direct flights from Athens to main cities and islands, but there are very limited flight connections between the islands.

Accommodation in Greece is diverse allowing for the provision of services to any taste or budget, from luxury to backpacker. Generally it is essential to pre-book accommodation for a hassle free holiday as many hours can be spent searching during high season. Things To Do

Athens: The Capital city where The Acropolis stands proud and tall with the Parthenon, Erechtheion and Temple of Athena Nike. For history buffs there is Archeological Museum, Hadrian's Arch and the Temple of Olympian Zeus. The Plaka District has always been a favourite due to its old world charm and marbled buildings.

Mainland Greece: Mainly known for its ancient sites: Corinth, Mycenae, Epidauros (famous theatre), Nafplio, Olympia, Delphi (home of the Oracle), and the magnificent Meteora Monasteries. Other major cities like Thessaloniki, Ioannina, Kalamata, etc are also worth a visit.

Islands: The Greek Islands are separated into groups:

The Saronics: A small group of islands located close to Athens. Aegina, Poros and Hydra are the most popular of this group of Islands. Hydra is most favoured due to its distinctive architecture, its ruggedness and the various colours in the landscapes.

Cyclades: The most famous for white washed buildings and their beaches. Mykonos, Paros, Naxos, Ios and Santorini are the most visited islands within this group but less known like Syros, Milos, Sifnos and Folegandros are also spectacular.

Crete: The largest of the islands with Heraklion, the Capital best known for its close proximity to the famous ruins of Knossos; the mythical Labyrinth palace of the Minoan ruler King Minos.

Dodecanese: The easternmost of the Greek islands, comprise of 12 islands. Rhodes is the most popular due to the constant sunshine, stunning beaches and Crusader castle. Kos, known as the birthplace of Hippocrates and Patmos, the place where St John and wrote his book, "Apocalypse".

Ionian: These islands are on the western side of Greece, the main islands of which include Corfu, Paxi, Lefkas, Kefalonia, Ithaca and Zakynthos.

Sporades: Lie north of Athens and mainly include Skiathos, Skopelos, Allonissos and Skiros. The 2008 movie Mamma Mia was filmed on Skopelos.

FAQs

Greece is magnificent in many ways – however communication and organisation are not two of these! When going to Greece – the traveller needs to be prepared for unexpected changes, cancellations or accommodation challenges. This is part of experiencing Greece! You can incur unwanted additional costs if you are not prepared. The digital world can not assist last minutes emergency when the ferry services is changed in last minute or when the ferries don't operate for days because of the weather – or when hotels advise they are full – despite you holding online booking.

Please read the information below as we highlight important facts and provide answers to common questions. We can assist you before and during your visit to ensure that you get the accommodation that you expected and that your trip to Greece is filled with making lifetime memories without stress or unwanted surprises.

Can we contact your Athens office when we need assistant with services we book directly online not through Greece and Mediterranean Travel Centre?

Only our clients have exclusive access to local assistance in Greece 24 hours, 7 days a week. This assistance only applies for services booked through Greece and Mediterranean Travel Centre. We are not able to assist if any issues arise effecting services made with other suppliers or hotels directly. The best thing about travelling with us is knowing that you do not need to worry about anything. When booking with us you have a peace of mind that there is someone available 24/7 to assist you should any issue arise. We assure seamless, stress-free travel so you can be free to focus on having great time.

How long should I stay in Greece?

As long as possible. We suggest starting in Athens then visit some of the islands. The mainland Greece offer abundance of classical sites and usually required at least 4 days to explore the main sites of Delphi, Olympia and Meteora. 2-3 nights in Athens and then at least 2-3 on each island is recommended as travel time and the schedule of the Greek ferries can be unpredictable. Our comprehensive itineraries of 10 to 14 days are most popular. Travellers who want to take advantage of the close proximity of Turkey can combine both countries.

Why is it difficult to find exact hotel location on a map?

The Greek hoteliers, as well as many online booking engines, can use loose terms to describe hotel locations. Clients can get an unwanted surprise when they realise that the only way to access the idyllic hotel chosen is by donkey trail or by climbing hundreds of steps. Location descriptions are commonly vague, and as there are usually no street names on the islands, it is almost impossible to determine the exact location or real walking distance on some maps. Distances described on the website are often inaccurate. The recommendation is to book with someone who physically knows Greece.

How reliable is booking a hotel room in Greece online?

Hotel rooms in Greece vary significantly – there is no official rating system equivalent to 2, 3, 4, 5 star rating that most Australians are familiar with. Hotel standards also differ between locations and especially on the islands. There are also significant difference between room categories within the hotel. Luxury suites that you may find online could be just a room for rent without any services as there are no regulation related to use of name “luxury” or “boutique”. Our recommendation for hotels are based on long term business relationships, past clients feedback and personal experiences - ensuring you get the best value accommodation that is conveniently located, well priced, provides friendly and helpful service and understands the needs of our clientele. We can recommend a hotel that meets your budget and expectations.

Are the ferries all the same?

No! There are different types of vessels, classes and seat configuration with varied options on each route. There are two main types of ferry:

Regular Ferries are the largest and slowest vessels – and least expensive. Some may have two to four bedded cabins for night trips. They usually have indoor bars and food outlets.

Fast Ferries are usually modern, quick, more comfortable and more expensive. They vary in size from large vessels similar to cruise boats, to smaller boats such as high-speed catamarans, flying dolphins or Hydrofoils.

Where can I find a Greek ferry timetable and make a booking?

The ferry system that connects Greek islands is generally complicated. Itineraries are usually available in short notice and change constantly. Ferry timetables are usually published a month in advance and last minute schedule changes are common – and usually not communicated! We strongly recommend you have an agent to assist you – inside knowledge will save time and money.

Santorini Port

Which island(s) should I visit?

Peaceful, active, party, thrill seeker – Greece has it all. Beautiful beaches and Roman Venetian and Turkish architecture, castles, luxury resorts and traditional villages. There is something to appeal to everyone. Each island is unique and although some are more popular than the others they are all worth a visit. Let us assist you to select destinations to suit your taste and budget – discover Greece at its best!

What do I do if there is a strike, schedule change, cancellation or other unexpected event?

We will contact you or your travel agent in advance if we have prior notice of strike, cancellation or amendment, giving you an advantage to book alternative arrangements. If there is no service the same day, we will arrange alternative accommodation and cancel or assist you to amend the services in the next destination(s). We also collect your old ticket, process refund and deliver the new ticket(s) if time permits or we will advise the best way to do it. We will charge cost difference only if applicable. We will provide a letter for insurance purposes clearly stating the reason for change and outlining any extra costs that may have incurred.

What do I do if I need assistance while in Greece?

Our Athens office is available 24 hours 7 days a week and can be contacted by email or phone if assistance required while in Greece.

Do I have to call transfer company to change my transfers if the ferry is cancelled or rescheduled?

If you have booked ferry services with us, we will amend transfer(s) arrangements accordingly in destination(s) affected by the changes. We will communicate with relevant transfer providers and inform them about the change. We do not charge fee for this service but supplement may apply should you select alternative services.

Can I upgrade my ferry seat?

Yes – we can help you with this as the options vary depending on vessel, company, detonations etc. Some vessels offer one or 2 categories only while others offer the whole range economy seats, business class as well as VIP section with large leather seats, table and extra services. The change must be made before the ticket is issued. We deliver all tickets. No need to print ticket at local offices.

Should I book a transfer or take a taxi?

We strongly recommend to always pre-book transfers in advance. In Greece, regular taxis come in all shapes and sizes and drivers generally do not speak English. There is no uber in Greece. Most islands do not have street names and some may have only 1 or few taxis. Even on the popular islands like Mykonos and Santorini the total number of taxis is under 40 on each despite the fact that there may be over 50,000 tourists on the island at the time. Some hotels especially in Santorini do not have road access hence prebooking transfers with us will assure that your hotel is informed about your arrival in order to send staff to meet you and assist with language.

Which local tours should I take?

We can assist with recommending and booking tours in Athens as well as the islands. We offer preferential rates and provide access to reliable, local offices to assure the quality of service. Book in advance as some tours get sold out quickly.

Will it cost more if I book through you instead of online?

Save money and time and take advantage of our packages which combine services into the time and cost effective itinerary. We give you access to savings derived from trusted relations we have developed over many years with Greek hotel owners and managers such as early bird discounts, room upgrades and other benefits - these are offered exclusively to our clients. We can combine specific requests into a time and cost effective itinerary with reliable and cost saving means of transportation, transfers and local tours.

HOW TO BOOK:

Contact your Travel Agent or Greece and Mediterranean Travel Centre Pty Ltd to make your reservations.

A booking request is accepted when we issue a written booking confirmation. It is at this point that a contract between us and you comes into existence subject to these Booking Conditions. We reserve the right to decline any booking at our discretion. No employee of ours other than a director has the authority to vary or omit any of these Booking Conditions or to promise any discount, refund or credit.

Confirmed bookings will be issued with an invoice upon confirmation detailing all services booked. It is your responsibility to ensure all details are correct. The right is reserved to correct any errors in rates quoted or calculated for any service notwithstanding that the invoice may have been paid in full.

SERVICES

The services we provide to you are limited to (a) the arrangement and coordination of your travel arrangements; and (b) the delivery of travel arrangements which we directly control. This includes (often significant) work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements.

PRICES & EXCLUSIONS

Prices stated are in Australian Dollars (\$AUD) and are current at the time of publication unless otherwise indicated. We also sometimes invoice in Euro or New Zealand dollars. The price includes accommodation, transportation and other inclusions as per the published itinerary. International and domestic airfares and airport/hotel transfers are not included unless specifically stated. Selling prices for our products are calculated to include, but not limited to, research, brochure preparation, printing and distribution, communication costs, postage, courier fees, bank charges, currency transfers and remuneration to the travel agents. The prices do not imply that same or similar products may or may not be available at a different price if obtained from another source. Prices shown may not be valid during trade fairs, exhibitions and congresses.

PRICE SURCHARGES

In the event of exchange rate fluctuations, the costs are subject to change without notice. In case of increases in the prices of service beyond our control including fuel surcharges, entrance fees, local taxes etc we reserve the right to adjust prices accordingly at any time up until the delivery of service irrespective if the payment has been received in full or not. Some overseas suppliers might charge a handling fee to supply a particular service. You will be informed about it at the time of booking.

DEPOSIT

A 10% deposit per person or \$300 (whichever is the greater), is required within 7 days (unless otherwise stated) of us accepting your booking. The deposit represents a fee payable to us for services associated with the processing and confirmation of your booking and any consultations on travel arrangements that we may provide to you. Because these services are provided as soon as we confirm your booking, the deposit is non-refundable other than where we cancel your travel arrangements for reasons other than Force Majeure (see below).

Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable.

Some products may require higher deposit in excess of the above. This will be advised at the time your reservation is confirmed.

FINAL PAYMENT

Payment in full must be received by the date(s) reflected on your invoice. We are under no obligation to remind you of a payment becoming due. If we fail to receive a payment from you by the due date for payment in clear funds, then this will be deemed a cancellation by you (see below). Note: some trips may require payment (including full payment) earlier or in additional instalments and this will be advised with the booking confirmation.

For late bookings (bookings within 45 days of departure), full payment is required at the time of request. You acknowledge that we may not be able to confirm services, in which case we will provide you with a refund.

CANCELLATIONS BY YOU

General Cancellations

If you wish to cancel your trip for other reasons than as set out below, we require written notice and will make refunds to you less cancellation fees in accordance with the table below, calculated from the date which we receive written notice:

Ferry Tickets: All ferry tickets are not refundable once paid in full regardless of date of cancellation.

Other Services:

- Over 45 days before commencement: Deposit and any instalment payments only
- 45 days to 31 days before commencement: 50% of the booking value
- Within 30 days or no show 100% of the booking value

Certain products might be subject to additional cancellation fees in excess of the above. This will be advised at the time your reservation is confirmed.

Covid-19 credit redemptions

If: (a) we issued you with a credit due to your original travel arrangements being disrupted by Covid-19 and associated restrictions; and (b) you have redeemed that credit for new travel arrangements; then (c) you agree that we will not be obliged to refund you the value of the

credit if you cancel your new travel arrangements.

If you cancel travel arrangements that have a value which exceeds the value of your credit (Excess Payment), then we will refund you the Excess Payment, less cancellation fees in accordance with the table below, calculated from the date which we receive written notice of cancellation:

Ferry Tickets: All ferry tickets are not refundable once paid in full regardless of date of cancellation.

Other Services:

- More than 45 days before commencement: 25% of the Excess Payment
- 45 days to 31 days before commencement: 50% of the Excess Payment
- Within 30 days or no show 100% of the Excess Payment

Certain products might be subject to additional cancellation fees in excess of the above. This will be advised at the time your reservation is confirmed. Travel insurance is strongly recommended for all bookings.

New or changed quarantine requirements

If after we confirm your booking: (a) new or changed quarantine requirements are imposed by government authorities either in a destination you are due to visit or in your home State or county and these remain in effect 60 days before commencement of travel arrangements booked with us; and (b) these new or changed quarantine requirements make it reasonably impractical for you to travel; then (c) you may give us written notice to cancel your trip not less than 45 days prior to commencement of the first arrangement.

If you cancel travel arrangements in these circumstances, then we will refund payments made by you less: (a) unrecoverable third party costs and other expenses incurred by us in relation to your travel arrangements; (b) overhead charges incurred by us relative to the price of your travel arrangements; and (c) fair compensation for work undertaken by us in relation to your travel arrangements until the time of cancellation and in connection with the processing of any refund.

General

You agree that the deductions and cancellation charges specified above are reasonable, represent a genuine pre-estimate of our loss and are required to protect our legitimate business interests.

For group departures, a transfer of a confirmed booking to another departure date at your request is deemed to be cancellation of the original booking.

ILLNESS OR VACCINATION STATUS PREVENTING TRAVEL

If due to any illness, suspected illness or failure to satisfy any required tests (such as a PCR or rapid antigen test in relation to Covid-19) or vaccination requirements:

- an airline or other common carrier refuses you carriage;
- a hotel or vessel refuses to accommodate you; or
- we or our suppliers (acting reasonably) exclude you from the trip and you are consequently prevented from commencing or continuing your trip, then:
- if you have already commenced your trip, we will provide you with reasonable assistance to arrange alternative travel arrangements or to continue the trip. This will be at your cost.
- if you have not commenced your trip then we regret we will not be in a position to provide such assistance.

We will not be liable to refund the cost of your trip (or any part of it) because we would have already paid (or committed to pay) suppliers and we would have already performed significant work preparing for the delivery of your trip and servicing your booking.

We will not be responsible for any other loss or loss you incur in connection with your booking (for example, airfares and visa expenses) if you are prevented from commencing or continuing your trip in these circumstances.

CANCELLATIONS OR RESCHEDULING BY US

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (including travel advisories and restrictions).

Force Majeure – Prior to travel

If in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) consider that your travel arrangements cannot safely or lawfully proceed due to a Force Majeure Event then we at our discretion may elect to:

- reschedule your travel arrangements (in whole or in part); and/or
- cancel your travel arrangements (in whole or in part), in which case our contract with you will terminate (in whole or in part).

If we cancel any of your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Force Majeure – During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recoverable third party costs for cancelled travel arrangements only.

Force Majeure – General

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure, you will be offered (at your election) a refund of all funds paid, or the offer of a trip of substantially equal quality if appropriate.

We will not be responsible to you for any other expenses or loss you incur if your travel arrangements are rescheduled or cancelled whether or not due to Force Majeure.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

Booking Conditions (continued)

AMENDMENTS BY US

Prior to travel

Occasionally, we may need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. If we become aware of a significant change to your itinerary or its inclusions prior to the commencement of your trip (where the trip can still proceed), then we will notify you within a reasonable time.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. You agree that we have the right to pass on any costs we incur for alternative arrangements we put in place for your benefit in these circumstances.

General

To the fullest extent permitted by law, we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond or control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications.

If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept.

We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under \$2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

ACCOMMODATION

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

INFORMATION & DESCRIPTIONS

Rooms and scenes shown are representative of those featured in various programs but are not necessarily supplied or visited. Hotel locations on maps are a guide only as maps are not to scale. Hotel gradings are those suggested by relevant local authorities or our representatives and may vary from Tourist Office gradings. The quality of hotels overseas may differ from Australian standards. In general terms rooms can be smaller and fairly basic, particularly those in the lower categories. If you prefer a superior degree of comfort, please select a higher category of accommodation. Specific bedding arrangements can be requested but cannot be confirmed or guaranteed.

PASSPORTS, VISAS

It is a requirement that you hold a valid passport and any required visas for your trip. It is your responsibility to ensure that you are in possession of the necessary documentation to comply with the laws and regulations of the countries to be visited.

VACCINATIONS

We strongly encourage you to be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration. This is so health risks for yourself and others you come into contact with can be mitigated. Subject to the Illness or Vaccination Status Preventing Travel section above, if you choose to travel without being fully vaccinated, then you do so accepting the implicit risks to your health and you agree to provide us with waivers and releases as we may require.

It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith.

HEALTH & FITNESS

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice.

If you suffer from a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may affect the normal conduct of the trip, then you must advise us at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you will require special assistance from personnel which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition at the time you made your booking request, we will provide you with a full refund of payments made. If you fail to notify us at that time or if you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you.

We reserve the right to cancel your booking if any changed or non-disclosed medical conditions mean that you will require special assistance which we cannot reasonably provide.

We strongly suggest that your travel insurance policy includes comprehensive cancellation coverage.

DIETARY REQUIREMENTS

Special dietary requests are required to be notified to us at the time of booking. Although we will use reasonable endeavours to accommodate requests, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens.

AUTHORITY ON TOUR

When joining a group tour, you undertake to conduct yourself in a manner conducive to good group dynamics. If you act in a manner that threatens or disrupts the safety or enjoyment of others on the tour, the tour leader may, acting reasonably, require that you leave the tour. You will not be entitled to any refund for unused services and you will be responsible for any additional costs you incur.

MINIMUM NUMBERS

Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled. If the trip is cancelled, we will at your election refund you all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation.

IMAGE RELEASE

When on tour, we may take photographs or make recordings of you and your activities that identify you. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us at least 21 days prior to the commencement of your tour.

INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

ACCEPTANCE OF RISK

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY

Services supplied by independent suppliers

Where a third party over whom we have no direct control (**Independent Supplier**) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier. You acknowledge that the Independent Supplier's liability to you may be limited by their own terms and conditions.

Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we are not the supplier's agent or where the supplier is not an Independent Supplier) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

General liability limitation

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory conditions and warranties into consumer contracts ("Consumer Warranties"). These Booking Conditions do not exclude or limit the application of the Consumer Warranties. Other than the Consumer Warranties, we disclaim all warranties.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems immediately.

We will only consider and be responsible for claims made against us where we or our suppliers have had the opportunity to put things right on the ground. If you notify us of a problem during travel and we haven't resolved it to your satisfaction, then you must make any claim in writing within 30 days from the end of your travel arrangements.

DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and warrant us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur if this is not the case.

Any disputes shall be dealt with by a court with the appropriate jurisdiction in New South Wales.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.
