

JORDAN

THE ULTIMATE GUIDE FOR INDEPENDENT TRAVELERS

Petra

Welcome to Jordan

Halina Kubica
Owner & Managing Director

There are some places you see in photographs and wonder what it would feel like to actually stand there. For me, Jordan is one of them. The first glimpse of Petra through the Siq, the vast desert landscapes of Wadi Rum, or the extraordinary colours of the Dead Sea at sunset can easily make you think, **"I wish I was there."**

Jordan may be famous for Petra, but there is so much more to discover. I love the contrasts between ancient history and everyday life, dramatic desert landscapes and bustling souks, Bedouin traditions and the genuine warmth of Jordanian hospitality.

Food is also an important part of the experience. Sharing mezze, tasting traditional dishes or enjoying sweet tea with mint or sage is not simply about eating. It is part of experiencing the culture and the generosity of its people.

Over the years, we have helped many travellers discover Jordan, whether as a journey in its own right or combined with other destinations in the region. Our team takes the time to understand what you want from your holiday and helps bring the different elements together.

We hope these pages inspire you to imagine your own journey through Jordan. When you are ready to experience it for yourself, our team will be here to help bring your journey to life.

Let us take you on the Trip of a Lifetime

Jordan may be relatively small, but it offers an extraordinary variety of experiences. Ancient cities, desert landscapes, the waters of the Dead Sea and, of course, the remarkable lost city of Petra can all be combined into one fascinating journey.

Greece & Mediterranean Travel Centre is an Australian owned and operated travel specialist, established in 2003. Together with our experienced local partners, we bring together accommodation, private transportation, sightseeing and experiences to make discovering Jordan easy from arrival to departure.

Our Jordan programs are built on years of experience and trusted local relationships. We understand the distances, routes and practical details that help determine how much time to spend in each place and how the different parts of your journey work together.

Personal Service

Every traveller is different, so we start by listening. We take the time to understand your interests, priorities, travel style and budget, then share our knowledge and ideas to help shape the right Jordan journey for you.

Our Jordan-only programs operate privately. You travel in your own air conditioned vehicle with an English speaking driver and are not combined with other travellers, giving you a more personal and comfortable way to explore the country.

Flexible Itineraries

Guiding Options

Choose the style of guiding that suits you. Our standard programs include an English speaking driver with local guides at selected sites such as Petra and Jerash. For a more in-depth experience, an English speaking guide can accompany you throughout your journey.

A very special Experience awaits you

There is something special about discovering Jordan privately. From walking through the Siq towards Petra to crossing the desert landscapes of Wadi Rum and floating in the Dead Sea, having your own vehicle and arrangements allows you to experience this remarkable country without travelling as part of a large group.

Our Jordan-only programs operate privately and can commence on most days, giving you considerable freedom when planning your journey.

Your Tour is Private

Your booking is not combined with other travellers. Even when several of our clients are travelling through Jordan on the same day, each separate booking has its own vehicle and driver, giving couples, families and friends a more personal way to explore.

Daily Departures

Our Jordan-only programs can generally commence daily, allowing you to choose travel dates that work with your international flights and wider holiday plans rather than having to fit around a scheduled group departure.

Guaranteed From One Traveller

Once your arrangements are booked and confirmed, your journey does not depend on reaching a minimum group size. Even a solo traveller can travel on a confirmed private itinerary without waiting for other passengers to join.

Driver or Guide Throughout – You Choose

Our standard programs include an English speaking driver, with local guides at Petra and Jerash where included. If you would like a more guided experience, you can add the services of an English speaking guide throughout your Jordan journey.

English Speaking Service

Our programs operate in English. If you prefer guiding in another language, please let us know when booking and we can request suitable arrangements in advance.

Complimentary Water

Bottled water is provided in our vehicles during your touring and transfers, keeping you refreshed while travelling through Jordan. Water during restaurant meals is not included unless specified.

Support in Jordan

Our local representatives provide 24 hour assistance while you are travelling, giving you the reassurance of support on the ground should you need help during your journey.

Choose from itineraries of different lengths covering Petra, Wadi Rum, the Dead Sea, Amman, Jerash and other fascinating parts of the country. With daily departures, you can select the itinerary and travel dates that best suit your plans.

Jordan & Beyond

Jordan combines beautifully with neighbouring destinations. Continue your journey to Egypt or choose from other regional combinations available through our wider Mediterranean collection. We can bring the arrangements in each country together into one complete itinerary.

Choose Your Guiding Style

Our standard programs include an experienced English speaking driver, with qualified local guides provided at Petra and Jerash when included in your itinerary. If you prefer greater insight throughout your journey, you can select the option of an English speaking guide accompanying you along the way. The choice allows you to decide how much guiding you would like.

Accessible via a narrow canyon called Al Siq, it contains ancient tombs and temples carved into pink sandstone cliffs, earning its fitting nickname, the "Rose City." Petra is the city in which Indiana Jones hunted for the Holy Grail in the blockbuster movie Indiana Jones and the Last Crusade. On arrival visit the archaeological site which enchants visitors from all corners of the globe. Take a short horse ride or walk to the entrance of The Siq and marvel at the remarkable colour of the rocks while walking through it. Jordan General Information

Introduction

Once an important Roman outpost, Jordan is a country of mesmerising beauty incorporating remote deserts and canyons, as well as the coral reefs of the Red Sea. Experience the scale of Petra called the Red Rose City and marvel at the architecture of the buildings set deep inside a narrow desert ravine. Experience the lowest point on earth as you float on the unsinkable Dead Sea and explore Wadi Rum, the country's largest desert landscape.

Visas

A Visa is required for entry into Jordan. Travellers booking with us a package of 2 or more nights can obtain a free visa. Alternatively Visa can be obtained from the Jordanian Embassy or at Amman's airport on arrival. Approx. cost is AUD\$60 per person for a single visit. Those arriving from Israel by Allenby Bridge must obtain their visa prior as it is not available on this bridge.

Population

The population was estimated to be at just over 9.5 million in 2015.

Time Zone

Jordan is two hours ahead of the Greenwich Mean Time and has daylight saving from the last week in March to the last week of September. During Australian Summer, Jordan is approximately nine hours behind AEST and during Australian Winter, approximately seven hours behind.

Electricity

200Ac volts, 50hz, same as in Australia. Two pronged or three pronged European Style cylindrical plugs are used.

Climate

Jordan has a hot, dry climate characterized by long, hot, dry summers and short, cool winters.

Average Monthly Temperatures (Degrees celcius):

Average Temps		Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Amman	Low	4	4	7	11	14	17	19	19	18	14	9	6
	High	11	13	16	22	27	29	32	32	29	26	19	13

Official Language

Arabic is the official language; however English is widely spoken, particularly in the cities and around major tourist attractions.

Food

Like some other Middle Eastern countries, there are many characteristics shared. However, the inclusion of yoghurts and cheeses separate Jordan from the rest. Most restaurants in main cities have menus with both Arabic and European dishes with specialties including Meze, a selection of starters including fool, a type of stew, hummus, moutabel (smoked eggplant dip) and tabouleh. Other dishes include Mensaf, stewed lamb in yoghurt sauce; Makloubat, chicken with spices; Kibbi, deep fried lamb or beef with ground wheat, onion and cinnamon; and Baklava, honey-nut filled pastry.

Currency

The official currency is the Jordanian Dinar and the dinar is divided into 100 Piasters or 1000 Fills. Most credit cards are accepted but smaller shops still prefer cash payments. ATMs are available. Euros and USD can easily be exchanged.

Getting There

By Air: Most major airlines such as Emirates, Etihad, Qatar and Singapore Airline have flights from Australia. Amman can also be reached from most European cities.

By Sea: The only Jordanian connection to the sea is at Aqaba. There are regular ferries from Nuweiba and Taba in Egypt to Aqaba.

By Land: Jordan can be reached via 3 bridge crossings from Israel; the Sheikh Hussein Crossing in the north, The Allenby Bridge (King Hussein), near the Dead Sea & the Wadi Araba Crossing in the South.

Getting Around

As Jordan is a relatively small country any major destination can be reached in approx. 5 hours driving time as the road network is good. Car rental is not recommended. A 4-wheel drive is needed to drive off road and in the desert area, especially Wadi Rum.

Things To Do

Amman: The capital city is mainly known as the home of the Roman Theatre, still in operation, and the Citadel with its intriguing archaeological museum.

Petra: The Rose Red City, see the vast, unique and fascinating city built by the Nabataean Arabs, which is actually carved into the rock face of unique and spectacular rose colour. See its treasury, funerary and the extraordinary Theatre. For those fit enough, don't forget The Monastery perched high above the valley up 900 steps.

Jerash: Jerash is one of the best preserved Roman Provincial Towns, second only to Petra in tourist appeal. It was hidden under centuries of sand until being slowly excavated and restored over the past 70 years. Gaze and admire the original Hippodrome, colonnaded streets, the temples, theatres and the spectacular squares and plazas.

Wadi Rum: A classic picture of sandy desert with sandstone hills rising sheer out of the valley floor, towering over a small Bedouin village. The best way to discover 4000 year old rock drawings and unearth other treasures hidden within the wilderness is by 4WD with a local Bedouin driver.

Other Destinations: Aqaba, in the south, for its white sandy beaches and beautiful coral reefs, Dead Sea where one cannot sink and home to beauty products. Other Services:

- Over 45 days before commencement: Deposit and any instalment payments only
- 45 days to 31 days before commencement: 50% of the booking value
- Within 30 days or no show 100% of the booking value. Certain products might be subject to additional cancellation fees in excess of the above. This will be advised at the time your reservation is confirmed.

General

You agree that the deductions and cancellation charges specified above are reasonable, represent a genuine pre-estimate of our loss and are required to protect our legitimate business interests.

For group departures, a transfer of a confirmed booking to another departure date at your request is deemed to be cancellation of the original booking.

OTHER CANCELLATIONS

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure – Prior to travel

If:

- in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or
- you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:

- reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or
- cancel affected travel arrangements, in which case our contract with you for the affected arrangements will terminate.

If we cancel affected travel arrangements, neither of us will have any claim for damages against the other for them. However, we will either:

- issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 24 months of issue against any travel services offered by us; or
- refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure – During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General

Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your trip or particular travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

AMENDMENTS BY US

Prior to travel

We may occasionally need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

Accommodation

Due to the dynamic nature of travel, we may need to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge that these substitutions will not be considered a significant change.

Booking Conditions (continued)

Alternative flights due to safety or security concerns

If flights are included in your travel arrangements and a scheduled flight is cancelled, suspended or materially changed due to war, armed conflict, civil strife, terrorist activity or the threat of such acts, or if we reasonably determine that the intended carrier, route or transit point cannot safely or reasonably be used, we may arrange replacement flights with an alternative carrier or on an alternative route. You must pay any additional airfare, taxes, carrier charges or ticketing costs reasonably incurred by us in arranging those replacement flights. We will notify you of any additional costs as soon as reasonably practicable and use reasonable endeavours to minimise them. If, before travel, the additional cost is material and you do not agree to pay it, we may cancel the affected flight arrangements and the Force Majeure provisions will apply.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns.

General

To the fullest extent permitted by law:

- we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;
- if you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and
- we will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under \$2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent possible. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

Our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied. This limitation applies to the extent permitted by law and subject always to the Consumer Guarantees.

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven't resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your travel arrangements. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant).

If you fail to follow this procedure, this may limit your rights to make a claim.

DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and warrant us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur if this is not the case.
