Blue Lagoon Comino

Welcome to Malta

Halina Kubica
Owner & Managing Director

Malta may be small, but it has an extraordinary ability to surprise you. Ancient cities, golden stone buildings, beautiful harbours and crystal clear Mediterranean waters all sit within a group of islands shaped by thousands of years of history.

I still remember walking through Valletta and being overwhelmed by the architecture, the intricate details and the sense of history around every corner. St John's Cathedral left a lasting impression, and standing in the Upper Barrakka Gardens looking across the magnificent Grand Harbour is one of those travel moments that stays with you.

But Malta is not only about its history. I love the mix of Mediterranean cultures, the seaside towns, colourful fishing villages and the opportunity to simply slow down and enjoy the surroundings. Whether you are exploring Valletta, discovering the quieter island of Gozo, swimming in clear blue waters or enjoying fresh seafood beside the sea, there is always another side of Malta to discover.

Sometimes it is memories like these, or simply seeing a beautiful image of somewhere you would love to be, that make you think, **"I wish I was there."**

We hope these pages inspire you to discover Malta for yourself. When you are ready, our team will be here to help turn that inspiration into your own Mediterranean journey.

Let us take you on the

Trip of a Lifetime

Greece & Mediterranean Travel Centre is an Australian owned and operated travel specialist. Since 2003, we have been helping Australian travellers discover Malta and the Mediterranean, combining personal service, destination knowledge and trusted local partners to create well-planned holidays.

Travel with us and experience the difference...

Independent Travel Made Easy

Malta is ideal for independent travel, but that does not mean organising everything yourself. We can bring together your accommodation, transfers, sightseeing, cruises and other arrangements into one coordinated journey, leaving you free to enjoy the destination at your own pace.

Destination Knowledge

Malta may be small, but choosing where to stay and how to spend your time can make a considerable difference to your holiday. We help you understand the different locations, experiences and touring possibilities, including how Malta and Gozo can best fit together.

Personal Service

Every traveller is different, so we start by listening. We take the time to understand your interests, priorities, travel style and budget, then use our knowledge and experience to help shape the arrangements around you.

Carefully Coordinated

Many sightseeing tours and experiences in Malta operate only on selected days. We take this into account when planning your itinerary, coordinating accommodation, transfers and touring so that the arrangements work together rather than simply booking each element separately.

Value & Clarity

Good value is not simply about finding the cheapest hotel or tour. We consider location, quality, inclusions and how the arrangements work together, with clear information about what is included in your holiday.

Trusted Local Partners

Our established local partners provide the knowledge and operational support that are particularly important when arrangements involve several different services. They also give us access to a broad range of sightseeing, transfers and experiences throughout Malta and Gozo.

Support While You Travel

Our service does not end when you leave Australia. Our local partners in Malta provide assistance on the ground, including 24-hour support when needed, giving you added reassurance throughout your stay.

Trusted Accreditation

We are an ATIA Accredited travel business and a member of CATO, ATIA's Tour Operator and Wholesaler division. Our accreditation reflects our commitment to professional standards, responsible business practices and customer confidence.

Australian Owned & Experienced

Established in 2003, we are an Australian owned and operated travel company. You have the reassurance of dealing with a local business that understands Australian travellers, supported by established partners on the ground in Malta.

More of the Mediterranean

Malta works particularly well as part of a longer Mediterranean journey. Combine it with Sicily and mainland Italy, or incorporate Malta into a wider holiday through Greece and other Mediterranean destinations, with the arrangements brought together into one journey.

Choose your travel style

Malta may be compact, but there are many different ways to experience it. Stay in one location and explore on day tours, divide your time between Malta and Gozo, travel independently with a car, or combine Malta with Sicily and Italy. Our programs provide convenient starting points and can be adjusted to suit your available time, interests and preferred style of travel.

Malta Packages

Our Malta packages bring together selected accommodation, private transfers and sightseeing in one convenient itinerary. Because many local tours operate on particular days of the week, we coordinate the arrangements carefully so you can make the most of the time you have available.

Malta & Gozo

Do not overlook Gozo. Malta's smaller neighbouring island offers a different pace and character and can be visited on an excursion or included as an overnight stay. We can combine both islands, arranging the accommodation and transportation between them.

Hotels & Resorts

Where you stay can shape your Malta experience. Choose from historic Valletta, lively waterfront areas, resort locations or quieter surroundings, with accommodation ranging from boutique properties to larger international hotels and resorts. We can help match the location and style of property to the holiday you have in mind.

Tours & Experiences

Malta's remarkable history and compact size make it particularly rewarding to explore with a knowledgeable local guide. Our selected experiences include sightseeing in Valletta, Malta's ancient cities and archaeological sites, Gozo excursions, cruises and other ways to discover the islands. Private touring can also be arranged.

Self Drive Malta

Malta can be explored by car, giving you the freedom to discover smaller towns, coastal areas and places beyond the main sightseeing routes at your own pace. For Australian travellers, driving is familiar as Maltese drive on the left-hand side of the road. Parking, however, can be very limited in busy areas and historic centres, so a car is not necessarily the best choice for every stay.

We can arrange car hire as part of your itinerary and help you decide where having a car makes sense, particularly if you plan to explore beyond the main centres.

Malta & Italy

Malta and Sicily are close neighbours and make a natural combination. Travel by ferry between Malta and Pozzallo in Sicily, or combine Malta with other parts of Italy using convenient air connections. Our Malta and Italy programs bring the arrangements together, with accommodation, transportation and sightseeing organised across both destinations.

The packages shown are sample itineraries, with travel dates planned around regular day tours that operate on selected days of the week. You can add extra nights, choose a different hotel or change the sightseeing included. If you prefer private touring, there is even greater flexibility, allowing you to arrive on almost any day and shape the itinerary around your own schedule.

Or create something completely different. We can combine your preferred accommodation, private tours, transfers and experiences into a fully customised independent Malta package.

We reserve the right to vary the cost of your travel arrangements prior to commencement for circumstances beyond our control such as the imposition of fuel surcharges or new or amended Government charges. We also reserve the right to vary the cost of your travel arrangements due to currency fluctuations. However, we will not vary the cost for currency fluctuations once full payment has been received by us and we will absorb the first 2% of any negative currency fluctuation. You may cancel your booking and receive a full refund if we vary the price by more than 10% due to currency fluctuations. Any such variation will be limited to the amount of the increase in costs, and we will notify you as soon as reasonably practicable.

DEPOSIT

A deposit of 10% per person or $300 per person (whichever is greater) is required within 7 days of us accepting your booking, unless otherwise advised. The deposit represents a fee payable to us for services associated with processing and confirming your booking and any consultation on travel arrangements that we provide. As these services are provided from the time your booking is confirmed, the deposit is non-refundable, except where we cancel your travel arrangements for reasons other than Force Majeure (see below).

We may not hold services until your deposit has been received. During this time, availability and prices may change. If the price increases before your deposit is received, you will be responsible for the increased cost. We will not be responsible if any requested services become unavailable.

Some products may require a higher deposit or additional advance payments. Where applicable, this will be advised at the time your reservation is confirmed.

FINAL PAYMENT

Full payment must be received by the due date(s) shown on your invoice. If payment is not received by the due date, we will remind you to make payment. You will also be responsible for any additional costs imposed on us by suppliers as a result of late payment.

If payment is not received within 7 days of our reminder, you will be deemed to have cancelled your booking.

Some travel arrangements may require earlier payment, full payment at the time of confirmation or payment in additional instalments. Any such requirements will be advised with your booking confirmation.

For late bookings made within 45 days of departure, full payment is required at the time of request. You acknowledge that we may not be able to confirm all requested services. If we are unable to confirm your booking, any payment received for services that cannot be confirmed will be refunded.

PAYMENT METHODS

Payment can be made by bank transfer, cash or credit card. We accept only Australian-issued Visa and Mastercard credit cards for travel arrangements excluding airfares.

CANCELLATIONS BY YOU

General Cancellations
If you wish to cancel your trip for other reasons than as set out below, we require written notice and will make refunds to you less cancellation fees in accordance with the table below, calculated from the date which we receive written notice:

Ferry Tickets: All ferry tickets are not refundable once paid in full regardless of date of cancellation.

Other Services:
- Over 45 days before commencement: Deposit and any instalment payments only
- 45 days to 31 days before commencement: 50% of the booking value
- Within 30 days or no show 100% of the booking value. Certain products might be subject to additional cancellation fees in excess of the above. This will be advised at the time your reservation is confirmed.

General
You agree that the deductions and cancellation charges specified above are reasonable, represent a genuine pre-estimate of our loss and are required to protect our legitimate business interests.

For group departures, a transfer of a confirmed booking to another departure date at your request is deemed to be cancellation of the original booking.

OTHER CANCELLATIONS

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; (c) epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (the events in (d) being "Government Restrictions").

Force Majeure – Prior to travel
If:
- in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) determine that your travel arrangements cannot safely, lawfully or reasonably proceed due to a Force Majeure event; or
- you give us notice no more than 14 days prior to commencement of your booked travel arrangements that you cannot reasonably make use of them due to Government Restrictions (for example due to border closures)

then we may:
- reschedule your travel arrangements, but only if you are agreeable to the rescheduled arrangements; or
- cancel affected travel arrangements, in which case our contract with you for the affected arrangements will terminate.

If we cancel affected travel arrangements, neither of us will have any claim for damages against the other for them. However, we will either:
- issue you with a credit equal to payments received by us for the cancelled travel arrangements, redeemable within 24 months of issue against any travel services offered by us; or
- refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred or payable by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Please note that our ability to issue you with a credit may be dependent on our suppliers issuing corresponding credits to us. We cannot guarantee that our suppliers will issue corresponding credits and so in such circumstances we may opt to pay you a limited cash refund as outlined.

Force Majeure – During travel
If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recovered third party costs plus any third party costs we don't incur for cancelled travel arrangements only.

Force Majeure – General
Where a limited cash refund is to be paid by us, we will use reasonable endeavours to recover payments from third parties attributable to your booking, but we make no guarantee that we will be able to recover these payments either partially or at all. If after we have paid you a limited cash refund (or after we determine that no cash refund is currently payable) we recover payments from third parties attributable to your booking, then we will pass on this payment to you.

We will not be responsible for any other loss or costs you incur in connection with your booking (for example, airfares, insurance and visa expenses) if your trip or particular travel arrangements are cancelled due to an event of Force Majeure.

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure which you accept, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

Other cancellations
If we cancel your travel arrangements for reasons other than Force Majeure you will be offered (at your election) a refund of all funds paid, or the offer of travel arrangements of substantially equal quality if appropriate. To the fullest extent permitted by law, we will not be responsible to you for any other expenses or loss you incur resulting from our cancellation.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of $50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

AMENDMENTS BY US

Prior to travel
We may occasionally need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. Most changes will not be significant. If we become aware of any significant changes to your itinerary or its inclusions that materially detract from the overall value of the trip (where we determine it can still proceed), then we will notify you within a reasonable time and refund you an amount attributable to any reduction in value determined by us acting reasonably.

Accommodation
Due to the dynamic nature of travel, we may need to substitute hotels, vessels and other forms of accommodation with properties or vessels of a substantially comparable or higher standard. We will endeavour to minimise substitutions. You acknowledge that these substitutions will not be considered a significant change.

Booking Conditions (continued)

Alternative flights due to safety or security concerns
If flights are included in your travel arrangements and a scheduled flight is cancelled, suspended or materially changed due to war, armed conflict, civil strife, terrorist activity or the threat of such acts, or if we reasonably determine that the intended carrier, route or transit point cannot safely or reasonably be used, we may arrange replacement flights with an alternative carrier or on an alternative route. You must pay any additional airfare, taxes, carrier charges or ticketing costs reasonably incurred by us in arranging those replacement flights. We will notify you of any additional costs as soon as reasonably practicable and use reasonable endeavours to minimise them. If, before travel, the additional cost is material and you do not agree to pay it, we may cancel the affected flight arrangements and the Force Majeure provisions will apply.

During travel
You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns.

General
To the fullest extent permitted by law:

- we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications;
- if you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept; and
- we will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

UNUSED & DENIED SERVICES

No refunds will be made for of any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under $2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

We expressly disclaim any liability for meals or beverages that contain allergens other than in circumstances where we have been negligent.

You will not be entitled to any refund for unused services and you will be responsible for any additional costs you incur.

MINIMUM NUMBERS

Some tours are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a tour fails to satisfy minimum numbers, it may be cancelled or re-costed. We will give you notice no later than [45] days prior to the tour's commencement. If the tour is re-costed, you will have the option to either accept the new cost or to cancel your booking. You must make this election within 14 days of receiving notice from us. If we cancel the tour or if you cancel your booking in these circumstances, we will at your election refund all payments made or credit payments towards alternative arrangements.

We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation in these circumstances.

IMAGE RELEASE

When on tour, we may take photographs or make recordings of you and your activities that identify you. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us as least 21 days prior to the commencement of your tour.

INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY

Services supplied by independent suppliers
Where a third party over whom we have no direct control **(Independent Supplier)** is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, death, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier and not caused by our negligence. Any claims you have in this regard must be made against the Independent Supplier.

Services we directly supply
To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we have control over them) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays, including for any scheduled services delays.

General liability limitation
You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory guarantees into consumer contracts ("Consumer Guarantees"). These Booking Conditions do not exclude or limit the application of the Consumer Guarantees other than to the extent they can be excluded or limited, in which case we limit or exclude the Consumer Guarantees to the fullest extent possible. Other than the Consumer Guarantees, we disclaim all warranties and guarantees.

Our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied. This limitation applies to the extent permitted by law and subject always to the Consumer Guarantees.

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems as soon as possible. This is so we or our suppliers have had the opportunity to put things right on the ground.

If you notify us of a problem during travel and we haven't resolved it to your satisfaction, please follow this up in writing within 30 days from the end of your travel arrangements. This is so we have the opportunity to pursue the claim with our own suppliers (if relevant).

If you fail to follow this procedure, this may limit your rights to make a claim.

DEEMED ACCEPTANCE
