Morocco General Information

Introduction

Morocco is one of the most diverse countries in Africa, with high mountains, sweeping desert, rugged coastline, and the winding alleyways of ancient medina cities and souks. From Saharan dunes to the peaks of the High Atlas, Morocco could have been tailor-made for travellers. Lyrical landscapes carpet this sublime slice of North Africa like the richly coloured and patterned rugs you'll lust after in local cooperatives. On lower ground, there are rugged coastlines, waterfalls and caves in forested hills, and the mighty desert.

Official Language

Morocco's official languages are Arabic and Berber. The country's distinctive group of Moroccan Arabic dialects is referred to as Darija. The Berber language is spoken in three dialects (Tarifit, Tashelhit and Central Atlas Tamazight).

Currency

The currency is the Moroccan dirham (MAD), and Visa or MasterCard cards are accepted. ATMs can now be found in abundance in most towns.

Tipping

There is no "rule of thumb" per se regarding tipping in Morocco. At many of the upmarket restaurants in the tourist areas they will add 10% to the bill, therefore check your bill. If you don't receive good service then don't tip and if you get great service give more than 10%. In taxis, just round up to the nearest 5 dirhams, e.g. if the taxi metre says 17, pay 20.

Climate

Morocco is split into three different regions: a narrow coastal belt, which is home to a typical Mediterranean climate with mild winters and hot summers. Each seeing long enjoyable summers that begin in mid May and continue right through until the end of September, and shorter winters in which the region sees most of its annual rainfall.

Average Monthly Temperatures (Degrees celcius):

Average Temps	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Marrakech	Low	6	8	10	12	15	17	20	21	19	15	7
	High	19	20	23	25	29	33	37	37	33	28	20

Visas

Australian and New Zealand travelers only need a passport with 6 months validity for travel less than 90 days.

Population

Morocco's population was estimated at 38 million in 2025.

Electricity

The electrical current in Morocco is 220V, while 125V still operates in some older buildings. The standard European plug applies so an adapter is required.

Food

A mix of influences from Morocco's interactions and exchanges with other cultures and nations over the centuries; Moroccan cuisine is a mix of Mediterranean, Arabic and Andalusian and Berber cuisines in every dish. Filled with spices the cooks in the royal kitchens of Fez, Meknes, Marrakech, Rabat and Tetouan created the basis for what is known as Moroccan cuisine today.

Shopping

Morocco is famous for its gorgeous artisanal crafts, from Berber rugs to brilliant silk embroidery. The brown-and white, diamond-pattern Moroccan beni ouarain may be the most popular, but flat-weave rugs in all patterns, shapes, and sizes, antique and brand new are easily found all over the medinas of this country, especially those of Fez and Marrakech. It's always good to make a recon trip first, and then go back a second time to actually buy. And yes, you should barter.

Getting There

By Air: Etihad Airlines fly daily from Sydney via Abu Dhabi to Casablanca, Emirates flies from Sydney to Casablanca and other destinations, Air France flies from Sydney to Rabat and to other Moroccan cities.

Getting Around

Given enough time, driving yourself around Morocco is a great way to enjoy the country. However, accident rates are high, and aggressive driving practiced

making for a stressful experience. The minimum driving age in Morocco is 18, rental companies will only rent to those 21 and older. An international driver's license isn't required. Driving in Morocco is on the right-hand side. The rail network is safe and comfortable and connects most cities west of the Atlas Mountains, including Fez, Meknes, Tangier, Rabat, Casablanca, and Marrakech. Buses link some other destinations to the rail network, such as Essaouira. Timetables rarely change, although special schedules are arranged during Ramadan and Festival times.

Accommodation

Morocco offers the traveller an extremely appealing range of year-round accommodations, including trendy medina houses, world-class luxury hotels and beach resorts, desert and mountain kasbahs, and grand sultan palaces. Luxury options have increased considerably over recent years, but there are still plenty of mid- to lower-range accommodations as well. Advance reservations are recommended during the holiday season from June to September, as well as over the Easter and Christmas/New Year periods. This applies year-round in Marrakech.

Time Zone

Morocco is standard time Greenwich Mean Time (GMT) and also has daylight saving which is adjusted during summer, the same as the rest of Europe. Therefore during Australian Summer, Morocco is 11 hours behind, while only nine in the winter.

Things To Do

Marrakech: AKA the Red City – is worlds away from your average Med resort, but that's all part of the pull. Morocco's most exciting city, Marrakech, has the Jemaa

el-Fna as its showpiece, the main square where you'll cross paths with acrobats, fire-swallowers and soothsayers. Other biggies include the Koutoubia Mosque's soaring minaret, the Saadian Tombs' mosaics, and the late Yves Saint Laurent's Majorelle Gardens.

Essaouira: Enjoy an authentic taste of Morocco on holidays in Essaouira. This coastal town is a firm favourite with holidaymakers thanks to its long sandy beach, abundance of sunshine, fresh seafood, a laidback atmosphere and the opportunity to see Morocco in all its glorious colours.

Casablanca: This large, modern city, formerly a French colonial post still allows myriad movie moments for those who want to revisit love in the medina and Old City. Casa (as locals call it) isn't too touristy, but it's the most cosmopolitan and Western-feeling city in Morocco. Visit the King Hassan II Mosque and Casa's Medina.

Fez: The oldest university in the world isn't Oxford or the Sorbonne—it's the University of Al-Karouine, and you'll find it in Fez el Bali. This walled city, a UNESCO World Heritage Site, will transport you back to mediaeval times. Visit the ancient maze-like quarters of the Medina to Fez el-Bali and the four imposing Gates of Fez, with their distinctive Moroccan tile work.

Tangier: Located on the Strait of Gibraltar where Africa meets Europe, Tangier has long held strategic importance. Ruled through the centuries by waves of conquerors including Romans, Vandals, Byzantines, Arabs and Portuguese, the city is more than two and a half millennia old, making it one of North Africa's most ancient. The medina, kasbah, bazaars and souks are among the country's most vibrant, and the beaches are excellent.

Rabat: Morocco's coastal capital since 1912, Rabat has just over a million people. Modern and even reserved by Moroccan standards, the city also has many fascinating historic sites, including the picturesque Kasbah of the Udayas, built in the mid-12th century. The unique Hassan Tower, begun at the end of the 12th century, was meant to have the world's largest minaret, but was never completed. Just opposite the tower lies the 20th-century Mausoleum of Mohammed V, another of the city's main attractions.

credit if you cancel your new travel arrangements.

For group departures, a transfer of a confirmed booking to another departure date at your request is deemed to be cancellation of the original booking.

ILLNESS OR VACCINATION STATUS PREVENTING TRAVEL

If due to any illness, suspected illness or failure to satisfy any required tests (such as a PCR or rapid antigen test in relation to Covid-19) or vaccination requirements:

- an airline or other common carrier refuses you carriage;
- a hotel or vessel refuses to accommodate you; or
- we or our suppliers (acting reasonably) exclude you from the trip and you are consequently prevented from commencing or continuing your trip, then:
- if you have already commenced your trip, we will provide you with reasonable assistance to arrange alternative travel arrangements or to continue the trip. This will be at your cost.
- if you have not commenced your trip then we regret we will not be in a position to provide such assistance.

We will not be liable to refund the cost of your trip (or any part of it) because we would have already paid (or committed to pay) suppliers and we would have already performed significant work preparing for the delivery of your trip and servicing your booking.

We will not be responsible for any other loss or loss you incur in connection with your booking (for example, airfares and visa expenses) if you are prevented from commencing or continuing your trip in these circumstances.

CANCELLATIONS OR RESCHEDULING BY US

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (including travel advisories and restrictions).

Force Majeure – Prior to travel

If in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) consider that your travel arrangements cannot safely or lawfully proceed due to a Force Majeure Event then we at our discretion may elect to:

- reschedule your travel arrangements (in whole or in part); and/or
- cancel your travel arrangements (in whole or in part), in which case our contract with you will terminate (in whole or in part).

If we cancel any of your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Force Majeure – During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recoverable third party costs for cancelled travel arrangements only.

Force Majeure – General

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure, you will be offered (at your election) a refund of all funds paid, or the offer of a trip of substantially equal quality if appropriate.

We will not be responsible to you for any other expenses or loss you incur if your travel arrangements are rescheduled or cancelled whether or not due to Force Majeure.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

Booking Conditions (continued)

AMENDMENTS BY US

Prior to travel

Occasionally, we may need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. If we become aware of a significant change to your itinerary or its inclusions prior to the commencement of your trip (where the trip can still proceed), then we will notify you within a reasonable time.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. You agree that we have the right to pass on any costs we incur for alternative arrangements we put in place for your benefit in these circumstances.

General

To the fullest extent permitted by law, we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications.

If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept.

We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under \$2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

ACCOMMODATION

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

INFORMATION & DESCRIPTIONS

Rooms and scenes shown are representative of those featured in various programs but are not necessarily supplied or visited. Hotel locations on maps are a guide only as maps are not to scale. Hotel gradings are those suggested by relevant local authorities or our representatives and may vary from Tourist Office gradings. The quality of hotels overseas may differ from Australian standards. In general terms rooms can be smaller and fairly basic, particularly those in the lower categories. If you prefer a superior degree of comfort, please select a higher category of accommodation. Specific bedding arrangements can be requested but cannot be confirmed or guaranteed.

PASSPORTS, VISAS

It is a requirement that you hold a valid passport and any required visas for your trip. It is your responsibility to ensure that you are in possession of the necessary documentation to comply with the laws and regulations of the countries to be visited.

VACCINATIONS

We strongly encourage you to be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration. This is so health risks for yourself and others you come into contact with can be mitigated. Subject to the Illness or Vaccination Status Preventing Travel section above, if you choose to travel without being fully vaccinated, then you do so accepting the implicit risks to your health and you agree to provide us with waivers and releases as we may require.

It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith.

HEALTH & FITNESS

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice.

If you suffer from a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may affect the normal conduct of the trip, then you must advise us at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you will require special assistance from personnel which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition at the time you made your booking request, we will provide you with a full refund of payments made. If you fail to notify us at that time or if you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you.

We reserve the right to cancel your booking if any changed or non-disclosed medical conditions mean that you will require special assistance which we cannot reasonably provide.

We strongly suggest that your travel insurance policy includes comprehensive cancellation coverage.

DIETARY REQUIREMENTS

Special dietary requests are required to be notified to us at the time of booking. Although we will use reasonable endeavours to accommodate requests, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens.

AUTHORITY ON TOUR

When joining a group tour, you undertake to conduct yourself in a manner conducive to good group dynamics. If you act in a manner that threatens or disrupts the safety or enjoyment of others on the tour, the tour leader may, acting reasonably, require that you leave the tour. You will not be entitled to any refund for unused services and you will be responsible for any additional costs you incur.

MINIMUM NUMBERS

Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled. If the trip is cancelled, we will at your election refund you all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation.

IMAGE RELEASE

When on tour, we may take photographs or make recordings of you and your activities that identify you. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us at least 21 days prior to the commencement of your tour.

INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

ACCEPTANCE OF RISK

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY

Services supplied by independent suppliers

Where a third party over whom we have no direct control (**Independent Supplier**) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier. You acknowledge that the Independent Supplier's liability to you may be limited by their own terms and conditions.

Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we are not the supplier's agent or where the supplier is not an Independent Supplier) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

General liability limitation

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory conditions and warranties into consumer contracts ("Consumer Warranties"). These Booking Conditions do not exclude or limit the application of the Consumer Warranties. Other than the Consumer Warranties, we disclaim all warranties.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems immediately.

We will only consider and be responsible for claims made against us where we or our suppliers have had the opportunity to put things right on the ground. If you notify us of a problem during travel and we haven't resolved it to your satisfaction, then you must make any claim in writing within 30 days from the end of your travel arrangements.

DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and warrant us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur if this is not the case.

GENERAL

The contract between Greece and Mediterranean Travel Centre Pty Ltd trading as Greece and Mediterranean Travel Centre or Luxury Greece Collection and you is governed by the laws of the State of New South Wales. Any disputes shall be dealt with by a court with the appropriate jurisdiction in New South Wales.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.
