# Welcome to Spain

**Halina Kubica**  
Owner & Managing Director

Spain, Portugal and Morocco are a cultural trio of absolute delights to be discovered. I feel many travellers overlook Spain when trying to plan a memorable trip, but It's not all busy resorts and tourist hot spots if you know where to look. It's the home of the culinary delight, Spanish Tapas, an incredible dish that you must try from its traditional home. I'm also always excited to visit the ancient bustling medinas in Morocco, they're so vibrant and full of life, it's an experience you're not likely to forget. Whether you want to spend time in the desolate sand dunes, or travel through the fast-paced city of Marrakech, Morocco is an inviting country full of big flavours, full of colour, and rich in taste. And who could forget the unique beauty and glorious churches in Portugal that has finally been uncovered, another destination you should visit before it's too late!

**Let us show you the side of Spain, Morocco and Portugal that you've never seen before.**

# Spain General Information

## Introduction

A country which has captivated the hearts of so many tourists for generations, Spain has managed to keep its unique character which makes it one of the most visited countries in Europe. A country which includes a refreshing blend of modern and ancient from the fascinating architectural delight that is the Guggenheim to the Moorish palaces, castles, cathedrals. Wander the streets to discover something new at every turn. Enjoy a country which continues to delight so many people. Enjoy Spain!

## Official Language

The official language spoken is Spanish with four different dialects existing, Castilian, Catalan, Galician and Basque, however English is also widely spoken.

## Time Zone

Spain is one hour ahead of Greenwich Mean Time (GMT) and also has daylight saving which is adjusted during summer, the same as the rest of Europe. Therefore during Australian Summer, Spain is 10 hours behind, while only 8 in the winter.

## Visas

Australian and New Zealand travelers only need a passport with 6 months validity for travel less than 90 days.

## Electricity

The electrical current in Spain is 220V, while 125V still operates in some older buildings. The standard European plug applies so an adapter is required.

## Climate

The Mediterranean and Atlantic coasts of Spain are blessed with a Mediterranean climate, while the inland experience more of a continental climate. Summer in Spain is predominantly hot everywhere reaching temperatures of 30°C, apart from the far north where it tends to rain most of the year and winter is generally mild. The ideal months to visit are May, June and September, though April and October is also good for travel to the south.

**Average Monthly Temperatures (Degrees celcius):**

Average Temps		Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Madrid	Low	2	3	6	7	11	16	18	18	15	10	6	3
	High	10	12	16	18	22	29	32	32	27	20	14	10

## Population

Spain's population was estimated at 47 million in 2014.

## Currency

The currency of Spain is the Euro, and most major credit cards are accepted.

## Tipping

Like most European countries, there is a service charge added to most restaurant bills, however you can leave an additional tip if satisfied with the service. Porters in hotels are generally tipped, with most being satisfied with a couple of Euros and it is not required to tip taxi drivers. For good service on tours, we recommend a tip of approx. A\$10 for Tour Guides and A\$5 for bus drivers per day.

## Food

The Spanish are passionate about their food. One traditional way to enjoy Spanish food is to try Tapas at one of the many bars scattered around. It is customary to have one tapa and one drink at a bar before moving onto another bar and doing the same. Some essential culinary experiences include the seafood available along the coastlines, where fresh seafood is widely available and affordable. Some Spanish delicacies include some of the many varieties of cheese, including Queso Manchego. Other specialties also include Chorizo, a sausage made from pork, ham, salt, garlic and pepper, Jamón, air dried ham, and Morcilla, a sausage made from pig blood and flavoured with anise. And don't forget to try the famous Spanish dish Paella.

## Shopping

Spain is another must see destination for those on the hunt for designer fashion items. There are many designers who sell items that are not readily available outside of Spain. One of the main must buy items from Spain is the famous Kukuxumusu T-shirts, a series of T-shirts which are both funny and involve topics of Spain as seen by tourists. Other popular items also include leather items, colourful ceramics in the shape of dishes, tiles and vases, and lace.

## Getting There

**By Air:** Emirates, Qatar, Etihad, Singapore Airlines fly daily from most Australian cities to Barcelona and Madrid. There are also daily flights from Athens, Rome and other major European cities.

## Getting Around

Hiring a car is easy and can make a trip more pleasant. Main roads are well signposted, and the network is quite extensive, making for a pleasant and wide-ranging self-drive holiday. However be aware that traffic can become congested in major cities. Domestic flights are available, though in common with most European countries, can become quite expensive at times. The train network is mainly between major cities and short distances train services can be subject to long delays, particularly in the Barcelona area. However, longer distance train services always arrive on time. Buses are considered the best way to get around, as local services are fairly frequent and service most towns.

## Accommodation

Accommodation in Spain is similar to most countries in that its services range from budget to luxury. There are many different kinds of tourist accommodations, ranging from hotels, pensions, rented villas, to camping or even a stay in a monastery. Other accommodation includes Casa Rural, similar to bed and breakfasts and Paradores (State owned hotels), usually steeped in history and have some of the best locations. Usually a Paradore is a historical conversion of a Moorish castle or hacienda.

- reschedule your travel arrangements (in whole or in part); and/or
- cancel your travel arrangements (in whole or in part), in which case our contract with you will terminate (in whole or in part).

If we cancel any of your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

### Force Majeure – During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recoverable third party costs for cancelled travel arrangements only.

### Force Majeure – General

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events.

## Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure, you will be offered (at your election) a refund of all funds paid, or the offer of a trip of substantially equal quality if appropriate.

We will not be responsible to you for any other expenses or loss you incur if your travel arrangements are rescheduled or cancelled whether or not due to Force Majeure.

## AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$50 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

# Booking Conditions (continued)

## AMENDMENTS BY US

### Prior to travel

Occasionally, we may need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. If we become aware of a significant change to your itinerary or its inclusions prior to the commencement of your trip (where the trip can still proceed), then we will notify you within a reasonable time.

### During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. You agree that we have the right to pass on any costs we incur for alternative arrangements we put in place for your benefit in these circumstances.

### General

To the fullest extent permitted by law, we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications.

If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept.

We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

## UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

## CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

## TRAVEL DOCUMENTS

Travel Documents cannot be issued until full payment is received and will be available no later than 14 days prior to departure. All documents for bookings under \$2000 will be available in electronic format only. For last minute bookings paid less than 14 days prior to client's departure, the documents will be provided in electronic format regardless of the value of the services.

## TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

## ACCOMMODATION

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

## INFORMATION & DESCRIPTIONS

Rooms and scenes shown are representative of those featured in various programs but are not necessarily supplied or visited. Hotel locations on maps are a guide only as maps are not to scale. Hotel gradings are those suggested by relevant local authorities or our representatives and may vary from Tourist Office gradings. The quality of hotels overseas may differ from Australian standards. In general terms rooms can be smaller and fairly basic, particularly those in the lower categories. If you prefer a superior degree of comfort, please select a higher category of accommodation. Specific bedding arrangements can be requested but cannot be confirmed or guaranteed.

## PASSPORTS, VISAS

It is a requirement that you hold a valid passport and any required visas for your trip. It is your responsibility to ensure that you are in possession of the necessary documentation to comply with the laws and regulations of the countries to be visited.

## VACCINATIONS

We strongly encourage you to be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration. This is so health risks for yourself and others you come into contact with can be mitigated. Subject to the Illness or Vaccination Status Preventing Travel section above, if you choose to travel without being fully vaccinated, then you do so accepting the implicit risks to your health and you agree to provide us with waivers and releases as we may require.

It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith.

## HEALTH & FITNESS

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice.

If you suffer from a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may affect the normal conduct of the trip, then you must advise us at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you will require special assistance from personnel which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition at the time you made your booking request, we will provide you with a full refund of payments made. If you fail to notify us at that time or if you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you.

We reserve the right to cancel your booking if any changed or non-disclosed medical conditions mean that you will require special assistance which we cannot reasonably provide.

We strongly suggest that your travel insurance policy includes comprehensive cancellation coverage.

## DIETARY REQUIREMENTS

Special dietary requests are required to be notified to us at the time of booking. Although we will use reasonable endeavours to accommodate requests, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens.

## AUTHORITY ON TOUR

When joining a group tour, you undertake to conduct yourself in a manner conducive to good group dynamics. If you act in a manner that threatens or disrupts the safety or enjoyment of others on the tour, the tour leader may, acting reasonably, require that you leave the tour. You will not be entitled to any refund for unused services and you will be responsible for any additional costs you incur.

## MINIMUM NUMBERS

Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled. If the trip is cancelled, we will at your election refund you all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation.

## IMAGE RELEASE

When on tour, we may take photographs or make recordings of you and your activities that identify you. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us at least 21 days prior to the commencement of your tour.

## INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

## ACCEPTANCE OF RISK

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

## RESPONSIBILITY

### Services supplied by independent suppliers

Where a third party over whom we have no direct control (**Independent Supplier**) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier. You acknowledge that the Independent Supplier's liability to you may be limited by their own terms and conditions.

### Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we are not the supplier's agent or where the supplier is not an Independent Supplier) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

### General liability limitation

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory conditions and warranties into consumer contracts ("Consumer Warranties"). These Booking Conditions do not exclude or limit the application of the Consumer Warranties. Other than the Consumer Warranties, we disclaim all warranties.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having them resupplied.

## COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make our representative or our local supplier aware of such problems immediately.

We will only consider and be responsible for claims made against us where we or our suppliers have had the opportunity to put things right on the ground. If you notify us of a problem during travel and we haven't resolved it to your satisfaction, then you must make any claim in writing within 30 days from the end of your travel arrangements.

## DEEMED ACCEPTANCE

If you place a booking on behalf of another party, you represent and warrant us that you are duly authorised to provide the agreement and consent of the other party to be bound by these Booking Conditions. You agree that you will be responsible for any loss or damage we incur if this is not the case.
